An ordinary resolution will be proposed at the AGM for the purpose of renewing the existing share issue mandate granted to Directors to allot, issue and otherwise deal with the Shares. The share issue mandate is subject to a limit equal to 20% of the aggregate nominal amount of the issued Shares of the Company at the date of passing such resolution. On the basis that no Shares are issued or repurchased prior to the AGM, the Company would be allowed to allot, issue and deal with a maximum of 4,063,814,464 further new Shares.

GENERAL REPURCHASE MANDATE

At the annual general meeting of the Company held on 8 September 2016, a general mandate was given to the Directors to exercise all the powers of the Company to repurchase its own Shares and such mandate will lapse at the conclusion of the forthcoming AGM. An ordinary resolution will be proposed at the AGM for the purpose of renewing the existing share repurchase mandate granted to the Directors to repurchase Shares up to a maximum of 10% of the aggregate nominal amount of the issued and fully paid up share capital of the Company as at the date of passing such resolution. An explanatory statement containing all relevant information relating to the proposed General Repurchase Mandate is set out in Appendix I to this circular.

Subject to the passing at the AGM of the proposed resolutions regarding the General Issue Mandate and the General Repurchase Mandate, an ordinary resolution will be proposed at the AGM to approve the extension of the 20% share issue mandate by adding to the General Issue Mandate the number of shares that may be repurchased under the General Repurchase Mandate.

The General Issue Mandate and General Repurchase Mandate will come into force at the date of passing such resolutions proposed at the AGM and continue in force until whichever is the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Bye-laws to be held; and (iii) the passing of an ordinary resolution of the Company in general meeting revoking or varying the authority set out in the above resolutions. With reference to the General Issuance Mandate and the General Repurchase Mandate, the Directors wish to state that they have no immediate plan to repurchase any Shares or issue any Shares pursuant thereto.

LETTER FROM THE BOARD

For details of the proposed resolutions, Shareholders are referred to the notice of the AGM which is set out on pages 19 to 23 in this circular. LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the resolutions referred in this circular and the AGM Notice are in the best interests of the Company and the Shareholders as a whole. The Directors therefore recommend Shareholders to vote in favour of all the resolutions set out in the AGM Notice.

Yours faithfully,

For and on behalf of the Board

International Business Settlement Holdings Limited

Luo Feng

Chairman

This is an explanatory statement given to all Shareholders relating to ordinary resolution to be proposed at the AGM authorising the General Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules which is set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date the issued and fully paid up share capital of the Company comprised 20,319,072,320 Shares.

Exercised in full of the General Repurchase Mandate, if so approved, on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the approval of the General Repurchase Mandate, the Company would be allowed under the repurchase resolution to repurchase a maximum of 2,031,907,232 Shares during the period from the date on which such resolution is passed until the date of (i) conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws or any application laws to be held; or (iii) the revocation, variation or removal of the General Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting, whichever occurs first, representing not more than 10% of the issued Shares of the Company as at the Latest Practicable Date.

2. REASONS FOR THE REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that the flexibility afforded by the repurchase proposal would be beneficial to the Company and Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such a purchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

Repurchases must be funded out of funds which are legally available for the purpose in accordance with the Company's constitutional documents and the laws of the jurisdiction in which the Company is incorporated.

Repurchase of Shares will be funded from the Company's available cash flow or working capital facilities, and will, in any event, be made out of funds legally available for such purposes in accordance with the Bye-laws, the Listing Rules and the laws of Bermuda. The Company is empowered by its Bye-laws to purchase its Shares. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of the capital paid up on the relevant Shares, or from the profits that would otherwise be available for distribution by way of dividend, or from the proceeds of a new issue of shares made for the purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the Company's share premium account or contributed surplus account.

On the basis of the current financial position of the Group as disclosed in the 2016/2017 Annual Report and taking into account the current working capital position of the Group, the Directors consider that, if the General Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position disclosed in the 2016/2017 Annual Report. However, the Directors do not propose to exercise the General Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing level which in the opinion of the Directors are from time to time appropriate for the Group.

4. SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

	Price per Share

August	0.530	0.445

December	1.650	1.380
2017		
January	1.570	1.450
February	1.550	1.480
March	1.600	1.340
April	1.790	1.450
May	1.640	1.260
June	1.420	1.070
July	1.260	0.530
August (up to Latest Practicable Date)	0.660	0.390

5. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make purchases of the Shares pursuant to the General Repurchase Mandate only in accordance with the Listing Rules, the Bye-laws of the Company and the applicable laws of Bermuda.

6. DIRECTORS' DEALINGS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) have any present intention, in the event that the General Repurchase Mandate is approved by the Shareholders, to sell any securities to the Company or its subsidiaries.

7. CONNECTED PERSONS

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell securities to the Company nor has undertaken not to do so, in the event that the Company is authorised to make purchases of Shares upon General Repurchase Mandate is approved by the Shareholders.

8. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the General Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and, depending on the level of increase of the Shareholder's interest, may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, so far as is known to any Director of the Company, the following persons were interested in 5% or more of the issued ordinary share capital of the Company, according to the register of interests required to be kept under Section 336 of the SFO:

Name	Number of Shares interests	Approximate percentage to the issued ordinary share capital of the Company as at the Latest Practicable Date	Approximate percentage to the issued ordinary share capital of the Company if the General Repurchase Mandate is exercised in full
Long Grand Limited <i>(Note 1)</i>	10,347,283,880	50.92%	56.58%
Power Trend Asset Holdings Limited <i>(Note 2)</i>	2,540,190,000	12.50%	13.89%
China Cinda Asset Management Co., Ltd. <i>(Note 3)</i>	1,280,000,000	6.30%	7.00%
China Cinda (HK) Holdings Company Limited <i>(Note 3)</i>	1,280,000,000	6.30%	7.00%
China Cinda (HK) Asset Management Co., Limited <i>(Note 3)</i>	1,280,000,000	6.30%	7.00%

Notes:

- (1) Long Grand Limited is legally and beneficially owned as to 70% by Mr. Yam Yu and as to 30% by Mr. Yuen Leong, an executive director of the Company.

- (2) Power Trend Asset Holdings Limited is legally and beneficially owned by Mr. Luo Feng, the Chairman of the Company.
- (3) China Cinda Asset Management Co., Ltd. has 100% control of China Cinda (HK) Holdings Company Limited, which has 100% control of China Cinda (HK) Asset Management Co., Limited.

In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, and assuming that no further Shares are issued or repurchased prior to the AGM, the total interests of the above Shareholders would be increased to approximately the percentages shown in the last column of the above table and such increase of interest will not give rise to an obligation to make a mandatory general offer under Rules 26 of the Takeovers Code and would not reduce the number of Shares held by the public to less than 25% of the issued share capital of the Company. The Directors have no present intention to repurchase Shares if the proposed General Repurchase Mandate is approved at the AGM.

The Directors will exercise the powers conferred by the General Repurchase Mandate to repurchase Shares in circumstances, which they deem appropriate for the benefits of the Company and the Shareholders as a whole.
