## **VOLUNTARY ANNOUNCEMENT SALES COOPERATION AGREEMENT**

This announcement is made by the Company on voluntary basis.

The board of directors (the “**Board**”) of Asia Investment Finance Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that on 29 August 2018, Beijing AIF Xuri Intelligent Technology Co., Ltd. \* (北京亞投旭日智能科技有限公司) (“**AIF Xuri**”), a wholly-owned subsidiary of the Company, entered into a sales cooperation agreement (the “**Sales Cooperation Agreement**”) with Chongqing Best NewGo AI Co., Ltd\* (重慶百事得大牛機器人有限公司) (“**Chongqing Best**”) to engage in deep collaboration in the field of artificial intelligence.

To the best of the Directors’ knowledge, information and belief, and having made all reasonable enquiries, Chongqing Best and the ultimate beneficial owner(s) of Chongqing Best are third parties independent of and not connected with the Company and its connected persons (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)).

According to the Sales Cooperation Agreement, AIF Xuri will become the sales agent of Best NewGo AI legal robot (the “**NewGo AI**”). The NewGo AI is the first truly brain-inspired artificial intelligence legal robot in China. It can simulate the mindset of judges and lawyers to examine and find out the facts of a legal case through several rounds of enquiries, and generate legal documents such as consultation opinion, civil complaint, application for arbitration and report material in accordance with the legal requirements and operation procedures with a simple click.

The NewGo AI can be used in a wide range of applications in the market with promising prospect. It can serve as assistant to legal practitioners, including lawyer, people’s mediator, judge, etc., to lessen the workload at an early stage of consultation, as well as to provide professional, convenient and free legal service to the general community, and to effectively complement the severe shortage of lawyers and resolve the realistic contradiction of shortage in legal practitioners at the root level. The emergence of the NewGo AI has realised the initiatives of “introducing legal service to the rural areas” and “introducing legal service to the communities”. It satisfies the immediate need for legal service from the root community, and bringing welfare to mass population.

## **REASONS FOR AND BENEFITS OF THE SALES COOPERATION AGREEMENT**

The Group is currently principally engaged in stockbroking, asset management, loan financing, credit guarantee, trading and investment in finance, technology sectors, etc..

The Group has great confidence in the future development of artificial intelligence and its business. As an important aspect of the future technology development, artificial intelligence can bring great convenience to human work and living, thereby creating new business opportunities, in particular, in China and those countries and regions within the scope of the “Belt and Road” policy. In light of enormous business opportunities in the field of artificial intelligence, the Group is optimistic about the development and sales business of artificial intelligence products, which include the NewGo AI, and considers that it will generate good financial revenue and profit for the Group. Accordingly, the Directors consider that the terms of the Sales Cooperation Agreement are fair and reasonable and that the entering into of the Sales Cooperation Agreement is in the interest of the Company and shareholders of the Company as a whole.
