VOLUNTARY ANNOUNCEMENT BUSINESS UPDATE

This announcement is made by Farnova Group Holdings Limited (the "Company", together with its subsidiaries, the "Group") to provide its shareholders and potential investors with the latest business development of the Group.

The Company is pleased to announce that as of the date of this announcement, the Company has completed the sale of 12 Farnova super electric sports cars based on the announced pre-sale of electric sports. The 12 electric sports cars have been delivered to clients with all relevant documents made available and are already on the road in mainland China.

Sine the products have much better value for money than super sports cars of other brands in terms of their exterior, performance, and price and enjoy good reputation among users, as of the date of the announcement, clients have placed orders for a total of 20 super electric cars, which the Company expects to be delivered within a short period of time.

The board of directors (the "**Board**") of the Company feels much encouraged by the better-than-expected sales of electric sports cars distributed by the Company in the market. Based on the unaudited management accounts of the Company, the Board expects that the Group will achieve a turnaround and record a net profit in its annual results for 2020.

Note: The market demand for electric cars in mainland China is calculated by ten millions, among which the demand for electric super sports cars will be calculated by hundred thousands to millions. Therefore, the Company is also quite confident about its development in this respect.
