3. PURPOSES OF THE SCHEME

- 3.01 The purpose of this Scheme is to enable the Company to grant Options to the Participants as incentives or rewards for their contributions to the Group.
- 3.02 The Scheme will give the Participants an opportunity to have a personal stake in the Company and will help achieve the following objectives:
- (a) motivate the Participants to optimise their performance and efficiency; and
 - (b) attract and retain or otherwise maintain a long term relationship with the Participants whose contributions are or will be in line with the business objectives of the Group.

4. DETERMINATION OF ELIGIBILITY

The basis of eligibility of any Participant to the grant of any Option shall be determined by the Board (or as the case may be, the independent non-executive directors) from time to time on the basis of the Participant's contribution or potential contribution to the development and growth of the Group after taking into account of, among others, the Participant's qualification and experience, performance, time commitment, responsibilities, length of engagement with the Group and actual or potential contribution to the business objectives of the Group.

5. DURATION AND ADMINISTRATION

- 5.01 Subject to Clause 16, the Scheme shall be valid and effective for a period of 10 years commencing on the Adoption Date and shall expire at the close of business on the business day immediately preceding the tenth anniversary thereof, after which period no further Options shall be offered or granted but the provisions of the Scheme shall remain in full force and effect in all other respects. Options granted during the life of this Scheme shall continue to be exercisable in accordance with their terms of grant within the Option Period.
- 5.02 The Scheme shall be subject to the administration of the Board whose decision (save as otherwise provided herein) shall be final and binding on all parties.

6. GRANT OF OPTION

6.01 On and subject to the terms of the Scheme, the Board shall be entitled at any time and from time to time within 10 years after the Adoption Date to make an Offer to any Participant as the Board may in its absolute discretion select.

The vesting period of the Options shall be between 12 to 36 months as the Board may determine. Save for the circumstances prescribed below, an Option must be held by the Participants for at least twelve (12) months before the Option can be exercised. A shorter vesting period may be granted to the Participants at the discretion of the Board in any of the following circumstances:

- (a) grants of “make-whole” Options to new joiners to replace the share awards or options they forfeited when leaving the previous employer;
- (b) grants to a Participant whose employment is terminated due to death or disability or occurrence of any out of control event;
- (c) grants that are made in batches during a year for administrative and compliance reasons, which include Options that should have been granted earlier if not for such administrative or compliance reasons but had to wait for subsequent batch. In such case, the vesting period may be shorter to reflect the time from which the Option would have been granted;
- (d) grants with a mixed or accelerated vesting schedule such as where the Option may vest evenly over a period of twelve (12) months;
- (e) grants with performance-based vesting conditions in lieu of time-based vesting criteria; and
- (f) the Remuneration Committee is of the view that a shorter vesting period is appropriate and serves the purpose of the Scheme.

Subject as aforesaid and other provisions of the GEM Listing Rules, the Board may in its absolute discretion when making the Offer impose any conditions, restrictions or limitations in relation thereto including the minimum period for which an Option must be held and/or the achievement of any performance targets by the Company and/or the Grantee before the right to exercise the Option in respect of any of the Shares shall vest and/or any clawback mechanism for the Company to recover or withhold any remuneration (which may include Options granted to any Grantee) to any Participants in the event of serious misconduct, a material misstatement in the Company’s financial statements or other circumstances, provided that such terms or conditions shall not be inconsistent with any other terms or conditions of the Scheme. Subject as aforesaid and other provisions of the Scheme, there is neither any performance targets nor any clawback mechanism required or established under the Scheme.

- 6.02 An Offer shall be made to a Participant on a trading day by letter in such form as the Board may from time to time determine, requiring the Participant to undertake to hold the Option on the terms on which it is to be granted and to be bound by the provisions of the Scheme and shall remain open for acceptance by the Participant concerned for a period of 21 days from the Offer Date (inclusive of the Offer Date) provided that no such offer shall be open for acceptance after the tenth anniversary of the Adoption Date or after the Scheme has been terminated.
- 6.03 An Offer shall be deemed to have been accepted and an Option to which the Offer relates shall be deemed to have been granted and accepted and to have taken effect when a letter in such form as the Board may from time to time determine signifying acceptance of the Option duly signed by the Grantee together with a remittance in favour of the Company of HK\$1.00 by way of consideration for the grant thereof is received by the Company. Such remittance shall in no circumstances be refundable.
- 6.04 Any Offer must be accepted in its entirety and can under no circumstances be accepted of less than the number of Shares for which it is offered. To the extent that the Offer of the grant of an Option is not accepted within 21 days in the manner indicated in Clause 6.03, it will be deemed to have been irrevocably rejected by the Participant and the Offer shall lapse and become null and void.
- 6.05 A grant of Options may not be made after inside information has come to the Company's knowledge until it has announced the information. In particular, during the period commencing one month immediately before the earlier of:
- (a) the date of the meeting of the Board (as such date is first notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the GEM Listing Rules); and
 - (b) the deadline for the Company to publish an announcement for any year or half-year under the GEM Listing Rules, or quarterly or any other interim period (whether or not required under the GEM Listing Rules),

8. EXERCISE OF OPTIONS

- 8.01 An Option shall be personal to the Grantee and shall not be assignable and no Grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest in favour of any third party over or in relation to any Option (where the Grantee is a company, any change of its major shareholder or any substantial change in its management will be deemed to be a sale or transfer of interest as aforesaid). Any breach of these restrictions will automatically render the Options lapsed. Subject to the Stock Exchange granting the necessary waiver, a Grantee may transfer any Options to a vehicle (such as a trust or a private company) for the benefit of the Grantee and any family members of such Grantee including but not limited to for estate planning and/or tax planning purposes that would continue to meet the purpose of the Scheme and comply with other requirements of Chapter 23 of the GEM Listing Rules. In the event of any such transfer, the Company shall disclose the beneficiaries of the trust or the ultimate beneficial owners of the transferee vehicle.
- 8.02 An Option may be exercised in whole or in part in the manner as set out in Clauses 8.03 and 8.04 by the Grantee (or, as the case may be, his legal personal representatives) giving notice in writing to the Company in such form as the Board may from time to time determine stating that the Option is thereby exercised and the number of Shares in respect of which it is exercised (which, except where the number of Shares in respect of which the Option remains unexercised is less than one board lot or where the Option is exercised in full, must be for a board lot for dealings in Shares on the Stock Exchange or an integral multiple thereof). Each such notice must be accompanied by a remittance for the full amount of the aggregate Exercise Price of the Shares in respect of which the notice is given together with the reasonable administration fee specified by the Company from time to time. Within 28 days after receipt of the notice and the remittance and, where appropriate, receipt of the Auditors' certificate or the confirmation of the Financial Adviser (as the case may be) pursuant to Clause 12, the Company shall issue and allot the relevant Shares, fully paid, to the Grantee (or his legal personal representatives).
- 8.03 Subject as hereinafter provided in the Scheme, an Option may be exercised by the Grantee at any time during the Option Period provided that:-
- (a) in the event that the Grantee (being an individual) dies before exercising the Option in full, his legal personal representative(s) may exercise the Option up to the Grantee's entitlement (to the extent which has become exercisable and not already exercised) within the period of 12 months following his death provided that where any of the events set out in Clause 8.03(d), (e) and (f) occurs prior to his death or within such period of 6 months following his death, then his personal representative(s) may so exercise the Option within such of the various periods respectively set

out in such clauses and provided further that if within a period of 3 years prior to the Grantee's death, the Grantee had committed any of the acts as specified in Clause 9(d) which would have entitled the Company to terminate his employment prior to his death, the Board may at any time forthwith terminate the Option of the Grantee (to the extent not already exercised) by written notice to his legal personal representatives;

- (b) in the event that the Grantee is an employee of the Group when an Offer is made to him and he subsequently ceases to be an employee of the Group for any reason other than his death or the termination of his employment on one or more of the grounds specified in Clause 9(d), the Option (to the extent not already exercised) shall lapse on the expiry of 3 months after the date of cessation of such employment (which date will be the last actual working day with the Company or the relevant member of the Group whether salary is paid in lieu of notice or not);
- (c) in the event that the Grantee is an employee of the Group when an Offer is made to him and he subsequently ceases to be an employee by reason of a termination of his employment on one or more of the grounds specified in Clause 9(d) and the Grantee has exercised the Option in whole or in part pursuant to Clause 8.02, but Shares have not been allotted to him, the Grantee shall be deemed not to have so exercised such Option and the Company shall return to the Grantee the amount of the Exercise Price for the Shares in respect of the purported exercise of such Option;
- (d) in the event of a general offer (whether by way of takeover offer or scheme of arrangement or otherwise in like manner) being made to all the Shareholders (or all such holders other than the offeror and/or any persons controlled by the offeror and/or any person acting in association or concert with the offeror) and such offer becoming or being declared unconditional, the Grantee (or where permitted under Clause 8.03(a), his legal personal representatives) shall be entitled to exercise the Option in full (to the extent not already exercised) at any time within 1 month after the date on which the offer becomes or is declared unconditional;
- (e) in the event of a compromise or arrangement between the Company and the Shareholders or its creditors being proposed in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies pursuant to the Companies Law of Bermuda, the Company shall give notice thereof to all the Grantees on the same day as it gives notice of the meeting to the Shareholders or its creditors to consider such a compromise or arrangement and the Options (to the extent not already exercised) shall become exercisable in whole or in part not later than 2 business days prior to the date of the general meeting directed to be convened by the court for the purposes of considering such compromise or arrangement (the "Suspension Date"), by giving notice in writing to the Company in accordance with Clause 8.02, accompanied by a remittance for the full amount of the aggregate

Exercise Price for the Shares in respect of which the notice is given whereupon the Company shall as soon as practicable and, in any event, no later than 3:00 p.m. on the business day immediately prior to the date of the proposed general meeting, allot and issue the relevant Shares to the Grantee credited as fully paid. With effect from the Suspension Date, the rights of all Grantees to exercise their respective Options shall forthwith be suspended. Upon such compromise or arrangement becoming effective, all Options shall, to the extent that they have not been exercised, lapse and determine. The Board shall endeavour to procure that the Shares issued as a result of the exercise of Options under this Clause 8.03(e) shall for the purposes of such compromise or arrangement form part of the issued share capital of the Company on the effective date thereof and that such Shares shall in all respects be subject to such compromise or arrangement. If for any reason such compromise or arrangement is not approved by the court (whether upon the terms presented to the court or upon any other terms as may be approved by such court), the rights of Grantees to exercise their respective Options shall with effect from the date of the making of the order by the court be restored in full but only up to the extent not already exercised and shall thereupon become exercisable (but subject to the other terms of this Scheme) as if such compromise or arrangement had not been proposed by the Company and no claim shall lie against the Company or any of its officers for any loss or damage sustained by any Grantee as a result of such proposal, unless any such loss or damage shall have been caused by the act, neglect, fraud or wilful default on the part of the Company or any of its officers;

- (f) in the event a notice is given by the Company to its members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall on the same date as or soon after it despatches such notice to each member of the Company give notice thereof to all Grantees and thereupon, each Grantee (or, where permitted under Clause 8.03(a), his legal personal representative(s)) shall be entitled to exercise all or any of his options at any time not later than 2 business days prior to the proposed general meeting of the Company by giving notice in writing to the Company, accompanied by a remittance for the full amount of the aggregate Exercise Price for the Shares in respect of which the notice is given whereupon the Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting referred to above, allot the relevant Shares to the Grantee credited as fully paid.

8.04 The Shares to be allotted upon the exercise of an Option will be subject to all the provisions of the bye-laws of the Company for the time being in force and will rank pari passu in all respects with the fully paid Shares in issue on the date of allotment and accordingly will entitle the holders to the same rights on voting, transfer and other rights, including those arising on a liquidation of the Company and to participate in all dividends or other distributions paid or made

after the date of allotment other than any dividend or other distribution previously declared or recommended or resolved to be paid or made with respect to a record date which shall be on or before the date of allotment, save that the Shares allotted upon the exercise of any Option shall not carry any voting rights until the name of the Grantee has been duly entered on the register of members of the Company as the holder thereof.

9. LAPSE OF OPTION

An Option shall lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:-

- (a) the expiry of the Option Period;

This requirement does not apply where the alterations take effect automatically under the existing terms of the Scheme;
- (c) the amended terms of the Scheme or the Options must still comply with the relevant requirements of Chapter 23 of the GEM Listing Rules; and
- (d) any change to the authority of the Directors or scheme administrators to alter the terms of the Scheme must be approved by Shareholders of the Company in general meeting.
