By virtue of Rule 14A.101 of the Listing Rules, as (i) Compal is a connected person of the Company at the subsidiary level; (ii) the Revised Annual Cap is on normal commercial terms; and (iii) the Board (including all the independent non-executive Directors) has approved the Revised Annual Cap and confirmed that the Revised Annual Cap is on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole, the Revised Annual Cap is subject to the reporting and announcement requirements but are exempted from the circular, independent financial advice and Shareholders' approval requirements under Chapter 14A of the Listing Rules.

BACKGROUND

Reference is made to the announcement of the Company dated 27 December 2017 in relation to, among others, the continuing connected transactions contemplated under the Existing Compal Master Sales Agreements. Capitalised terms used herein shall have the same meanings as defined in the announcement of the Company dated 27 December 2017 unless the context requires otherwise. Pursuant to the Existing Compal Master Sales Agreements, the Group has been selling the Products to the Compal Group on an on-going basis.

Due to the increase in demand for the Products by the Compal Group and the Group's estimation of the demand for the Products by the Compal Group, the Company has revised and increased the annual cap for the Transactions for the year ending 31 December 2020 to the Revised Annual Cap.

For the nine months ended 30 September 2020, the sales of the Products by the Group to the Compal Group under the Existing Compal Master Sales Agreements amounted to approximately HK\$1,353 million, which accounted for approximately 72% of the existing annual cap of HK\$1,872 million for the year ending 31 December 2020. Therefore, it is anticipated that the sales of the Products by the Group to the Compal Group under the Existing Compal Master Sales Agreements for the year ending 31 December 2020 will exceed the annual cap of HK\$1,872 million.

In light of the above and as it is expected that the Group and the Compal Group will continue to conduct the Transactions for the year ending 31 December 2020, the Company has revised the annual cap for the Transactions for the year ending 31 December 2020 to cater for the increasing demand of the Products by the Compal Group.

Principal terms of the Existing Compal Master Sales Agreement

Despite the revision of annual cap, the principal terms of the Existing Compal Master Sales Agreement remain unchanged. Please refer to the Announcement for the principal terms of the Existing Compal Master Sales Agreements.

REVISION OF ANNUAL CAP

Original annual cap and actual transaction figures

The original annual cap for the Transactions for the year ending 31 December 2020 is HK\$1,872 million.

For the nine months ended 30 September 2020, the actual sales amount of the Products by the Group to the Compal Group under the Existing Compal Master Sales Agreements was approximately HK\$1,353 million.

Revised Annual Cap and basis

The Company has revised the annual cap for the Transactions for the year ending 31 December 2020 to HK\$2,028 million.

The Revised Annual Cap was determined by the Company with reference to the following factors:

1. the historical actual amount of sale of the Products by the Group to the Compal Group under the Existing Compal Master Sales Agreements; and
2. the most up-to-date estimation for the demand for the Products from the Compal Group following the increasing demands for commercial and educational versions of notebook computer to facilitate work from home and online learning arrangements during the COVID-19 outbreak.

REASONS FOR AND BENEFITS OF THE REVISION OF ANNUAL CAP

By the adoption of the Revised Annual Cap, the Group will be able to fulfil the expected demand for the Products from the Compal Group in the remaining period in the year ending 31 December 2020. Given that the Compal Group is a well-known original design manufacturer and involved in large scale production of notebook computer and handheld devices, the Directors believe that the continuation of the Transactions and maintaining of business relationship with the Compal Group can enhance the business and reputation of the Group. On the above basis, the Directors consider that the Group will benefit from the adoption of the Revised Annual Cap.

The Directors (including the independent non-executive Directors) considered the Revised Annual Cap is on normal commercial terms and in the ordinary and usual course of business of the Group, fair and reasonable and in the interests of the Company and the Shareholders as a whole.
