**VOLUNTARY ANNOUNCEMENT
BUSINESS UPDATE**

This announcement is made by Ju Teng International Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) on a voluntary basis.

The board (“**Board**”) of directors (the “**Directors**”) of the Company wishes to announce that the anti-epidemic measures including lock down measures (the “**Anti-epidemic Measures**”) implemented in the People’s Republic of China (the “**PRC**”) in response to the outbreak of the COVID-19 epidemic (the “**Epidemic**”) since the beginning of 2022 have limited the mobility of manpower across different industries and caused disruptions to the logistics and supply chain network in different parts of the PRC. The Group’s business operation in East China has been negatively affected during the first half of 2022 by such Anti-epidemic Measures to some extent and the Group has had to reschedule certain delivery orders with its customers. The Board expects that the impact on the operation and financial performance of the Group brought about by the Anti-epidemic Measures will be temporary, and the operation environment in the PRC will gradually return to normal with the easing of the Anti-epidemic Measures.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
