This announcement is made by Ju Teng International Holdings Limited (the “**Company**” together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform shareholders of the Company and potential investors that, based on a review of the Group's unaudited management accounts for the eleven months ended 30 November 2011, the earnings of the Group for the eleven months ended 30 November 2011 has decreased significantly as compared to the corresponding period in 2010. Accordingly, it is expected that the earnings of the Group for the year ended 31 December 2011 will also decrease significantly as compared to the financial results of the Group for the year ended 31 December 2010.

The decrease in earnings is primarily attributable to the decline in gross profit margin of the Group since the second half of 2010 due to the decrease in selling price of the Group's casing products, surge in labour costs and appreciation of Renminbi.

With the effort of the management of the Company, the results of the Group for the second half of 2011 has shown an improvement as compared with the second half of 2010. The Group will continue to pursue its corporate strategy of focusing on high-end products with higher profit margin and to implement cost control measures as appropriate in order to further improve the financial performance of the Group.

The information contained in this announcement is only based on a preliminary assessment by the Board based on information currently available to it, including the unaudited consolidated management accounts of the Group for the eleven months ended 30 November 2011, which have not yet been confirmed or reviewed by the Company's auditors or the audit committee of the Company and finalized as at the date of this announcement.
