To the Shareholders

Dear Sirs or Madams,

**RENEWAL OF GENERAL MANDATES TO ISSUE
AND REPURCHASE SHARES
AND
RE-ELECTION OF DIRECTORS
AND NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding certain resolutions to be proposed at the Annual General Meeting to enable you to make an informed decision on whether to vote for or against those resolutions.

LETTER FROM THE BOARD

At the AGM, resolutions, amongst others, will be proposed for the Shareholders to approve (i) the renewal of the General Mandate and the Repurchase Mandate; (ii) the extension of the General Mandate to include Shares repurchased pursuant to the Repurchase Mandate; and (iii) the re-election of Directors.

RENEWAL OF GENERAL MANDATE TO ISSUE AND REPURCHASE SHARES

At the annual general meeting of the Company held on May 29, 2009, resolutions were passed giving general mandates to the Directors (i) to allot and issue Shares with an aggregate nominal value not exceeding 20% of the aggregate nominal value of the issued share capital of the Company and (ii) to repurchase shares in the capital of the Company up to 10% of the aggregate nominal amount of the issued share capital of the Company. Such general mandates will expire at the conclusion of the forthcoming AGM.

At the AGM, separate ordinary resolutions will be proposed:

- (a) to grant the General Mandate to the Directors to exercise the powers of the Company to allot and issue Shares with an aggregate nominal value not exceeding 20% of the aggregate nominal value of the issued share capital of the Company as at the date of passing the resolution. The General Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Existing Articles or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company. Based on 1,160,946,985 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased prior to the date of the AGM, the Directors will be authorised to issue up to 232,189,397 Shares under the General Mandate;
- (b) to grant the Repurchase Mandate to the Directors to exercise all powers of the Company to repurchase issued Shares subject to the criteria set out in this circular. Under such Repurchase Mandate, the maximum number of Shares that the Company may be repurchased shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the resolution. As at the Latest Practicable Date, the number of Shares in issue of the Company was 1,160,946,985 Shares. Subject to the passing of the proposed ordinary resolution approving the granting of the Repurchase Mandate and on the basis that none of the outstanding share options of the Company is exercised pursuant to the Share Option Schemes and no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 116,094,698 Shares, being 10% of the entire issued share capital of the Company as at the date of passing of the resolution in relation thereof. The Repurchase Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Existing Articles or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and

LETTER FROM THE BOARD

- (c) subject to the passing of the aforesaid ordinary resolutions of the General Mandate and the Repurchase Mandate, to extend the number of Shares to be issued and allotted under the General Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

In accordance with the Listing Rules, an explanatory statement is set out in Appendix I to this circular to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed resolution to renew the grant of the Repurchase Mandate at the AGM.

RE-ELECTION OF DIRECTORS

Pursuant to article 87 of the Existing Articles, Mr. Zhou Xiaosong and Mr. Chow Joseph will retire from office as Directors by rotation at the AGM and being eligible, offer themselves for re-election. LETTER FROM THE BOARD

RECOMMENDATION

The Directors believe that the Repurchase Mandate, the General Mandate, the re-election of Directors are in the best interests of the Company as well as its Shareholders. Accordingly, the Directors recommend that all Shareholders should vote in favour of all the relevant resolutions set out in the notice of the AGM.

As at the date hereof, the Board comprises Mr. Zhu Zhangjin, Mr. Zhou Xiaosong and Mr. Zhang Mingfa, Michael, as executive Directors, Mr. Chow Joseph, Dr. Li Qingyuan and Mr. Gu Mingchao as independent non-executive Directors.

Yours faithfully,
By Order of the Board
Zhu Zhangjin
Chairman

This Appendix serves as an explanatory statement required by Rule 10.06(1)(b) of the Listing Rules to provide you with all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed resolution.

1. LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below.

2. SHAREHOLDERS' APPROVAL

All proposed repurchases of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval.

3. SOURCE OF FUNDS

Subject to Cayman Islands law, the Company's memorandum of association and the Existing Articles and, where applicable, the rules of any Designated Stock Exchange and/or any competent regulatory authority, any power of the Company to purchase or otherwise acquire its own Shares shall be exercisable by the Board in such manner, upon such terms and subject to such conditions as it thinks fit. Under the Company's memorandum of association and the Existing Articles, the Company is authorised to make payments in respect of the purchase of its shares out of capital or out of any other account or fund which can be authorised for this purpose in accordance with the Cayman Islands law. Under such law, the Shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced.

4. SHARE CAPITAL

Assuming that no further Shares are issued or repurchased during the period from the Latest Practicable Date to the AGM, exercise in full of the Repurchase Mandate, on the basis of 1,160,946,985 existing Shares in issue as at the Latest Practicable Date, could result in up to 116,094,698 Shares being repurchased by the Company.

5. REASONS FOR SHARE REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to have general authority from the Shareholders to enable the Directors to repurchase Shares on the Stock Exchange. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share of the Company and/or its earning per Share and will only be made when the Directors believe that such repurchase will benefit the Company and its Shareholders.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on terms favourable to the Company. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the currently prevailing market value, it could have a material adverse impact on the working capital position and gearing level of the Company, as compared with the position disclosed in its most recent published audited accounts for the year ended December 31, 2009.

6. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates has any present intention, in the event that the proposal is approved by the Shareholders, to sell their Shares to the Company or its subsidiaries under the Repurchase Mandate. No connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she/it has a present intention to sell his/her/its Shares to the Company or its subsidiaries nor has he/she/it undertaken not to sell any of his/her/its Shares held by him/her/it to the Company or its subsidiaries in the event that the Company is authorised to make purchases of the Shares.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of the Cayman Islands.

8. EFFECT OF THE CODE

A repurchase of Shares by the Company may result in an increase in the proportionate interests of Shareholders in the voting rights of the Company, such increase will be treated as an acquisition for the purposes of the Code and which could give rise to an obligation by a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of its or their shareholding, to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Zhu Zhangjin, the chairman of the Company, was also a substantial shareholder of the Company, holding 511,146,635 Shares or approximately 44.03% of the issued share capital of the Company. In the event that the Directors exercise in full the Repurchase Mandate, the shareholding of Mr. Zhu in the Company would be increased to approximately 48.92% of the issued share capital of the Company and such increase would give rise to an obligation to make a mandatory general offer under Rule 26 of the Code. The Directors currently have no intention to exercise the Repurchase Mandate to such extent that would trigger a mandatory offer by any Shareholder under Rule 26 of the Code or result in the amount of shares held by the public being reduced to less than 25% of the issued share capital of the Company.

9. SHARE PRICES
