2. BASIS OF PREPARATION AND PRESENTATION OF CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements have been prepared based on the accounting policies set out in note 3 which conform with Hong Kong Financial Reporting Standards ("**HKFRSs**") issued by the Hong Kong Institute of Certified Public Accountants ("**HKICPA**").

Before the completion of a group reorganisation as more fully explained in the section headed "History, Development and Reorganisation" in the prospectus of the Company dated 30 March 2020 (the "**Reorganisation**"), the Company, Platinum Lotus and ICGL Technical Works (HK) Limited ("**ICGL** (**Hong Kong**)") are wholly-owned directly or indirectly by Mr. Chu. In preparation of the Listing, the companies comprising the Group underwent the Reorganisation as described below.

- (i) On 3 May 2018, Platinum Lotus was incorporated in the BVI with limited liability. Platinum Lotus allotted and issued one share, credited as fully paid at a par value of one United States dollars ("US\$") to Mr. Chu on 17 May 2018.
- (ii) On 3 May 2018, Plateau Star Limited ("Plateau Star") was incorporated in the BVI with limited liability. Plateau Star allotted and issued 100 shares, credited as fully paid at a par value of US\$100 to Platinum Lotus on 17 May 2018.
- (iii) On 14 November 2018, the Company was incorporated in the Cayman Islands as an exempted company with limited liability with an authorised share capital of HK\$380,000 divided into 38,000,000 shares with a par value of HK\$0.01 each, of which one nil-paid share was allotted and issued to an independent initial subscriber, which was then transferred to Mr. Chu on the same day.

On 20 March 2019, Mr. Chu transferred the one nil-paid share of the Company to Platinum Lotus at a consideration of US\$1.00.

- (iv) On 22 March 2019, as part of the Reorganisation, the Company acquired all the issued shares of Plateau Star from Platinum Lotus, in consideration to which, the Company, at the direction of Mr. Chu, allotted and issued 99 fully paid shares to Platinum Lotus and credited as fully paid the one nilpaid share held by Platinum Lotus. As a result, Plateau Star became a wholly-owned subsidiary of the Company.
- (v) On 27 March 2019, as part of the Reorganisation, the Company, through Plateau Star, acquired all issued shares of ICGL (Hong Kong) from Summit (Sino) Holdings Limited which is controlled by Mr. Chu, in the consideration to which, the Company, at the direction of Mr. Chu, allotted and issued 100 fully paid shares to Platinum Lotus. As a result, ICGL (Hong Kong) became a wholly-owned subsidiary of the Company.

The Reorganisation involved incorporation of and interspersing Platinum Lotus, the Company and Plateau Star between ICGL (Hong Kong) and Mr. Chu. Upon the completion of the Reorganisation, the Company has become the holding company of the companies now comprising the Group on 27 March 2019. The Group resulting from the Reorganisation is regarded as a continuing entity. The consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year ended 31 March 2019 include the results, changes in equity and cash flows of the companies now comprising the Group as if the current group structure had been in existence since 1 April 2018, or since their respective dates of incorporation, whichever is the shorter period.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

We are a subcontractor engaged in the provision of design, supply, and installation services for façade works and building metal finishing works in Hong Kong.

The shares of the Company (the "Shares") were successfully listed on the Main Board of The Stock Exchange of Hong Kong Limited (the "Stock Exchange") on 15 April 2020 (the "Listing Date") by way of Share Offer (as defined in the Prospectus) (the "Listing"). The net proceeds received by the Company from the Share Offer have strengthened the Group's cash flow position and enabled the Group to implement its future plans and business strategies as set out in the section headed "Reasons for the Listing and Proposed Use of the Net Proceeds from the Share Offer" in the prospectus of the Company dated 30 March 2020 in relation to the Share Offer (the "Prospectus").

As at 31 March 2020, the Group had 23 projects in progress with a total original contract sum of approximately HK\$670.2 million. Total revenue of approximately HK\$243.5 million was recognised during the year.

During the year, we were awarded 15 new projects with a total contract sum of approximately HK\$263.5 million, out of which 11 projects belong to façade works projects and four projects belong to building metal finishing works projects.

Outlook and prospects

Looking forward, the year 2020 is expected to be a challenging year. The unexpected outbreak of COVID-19 has brought adverse impact on the macroeconomic condition in an international and domestic context. The Directors will closely monitor the situation and evaluate the potential impact on our operations and financial position on a continuing basis.

Concerning the façade industry, the demand for façade works is mainly driven by construction of residential and commercial buildings, but there is a market trend that the use of façade is gradually extended to the buildings of public facilities. Besides, the façade works industry is expected to be supported by various development projects and programmes initiated by the government.

Regarding building metal finishing works industry, it is driven by the increase in supply of residential properties, commercial properties and public facilities. In respect of the residential housing units provided by the government, there is a growing public demand for housing with reference to the Long-term Housing Strategy Annual Progress Report 2019 issued by the government in December 2019, where building metal finishing works are an essential part of any building.

Therefore, we remain cautiously optimistic about our business growth in consideration of our competitive strengths, especially with our good reputation and proven track record in façade works and building metal finishing works, and our established business relationships with a wide range of clientele.

The Group will also further strengthen our clientele base and exercise effective control on costs so as to achieve sustainable business growth to bring long-term benefits to our shareholders.
