

**【For Immediate Release】**

**Lukfook Group Once Again Commended as  
“Hong Kong – Guangdong Cleaner Production Partners (Manufacturing)”**

(Hong Kong, 29 December 2016) —**Luk Fook Holdings (International) Limited** (“Lukfook” / the “Group”) (Stock Code: 00590) is pleased to announce that the Group has successfully passed the audit of the “Hong Kong – Guangdong Cleaner Production Partners Recognition Scheme” co-organised by the Environment Bureau of Hong Kong, the Economic & Information Commission of Guangdong Province and major trade and industry associations in Hong Kong. The Group’s subsidiary Maxigood (Guangzhou) Jewellery Company Limited was commended as “Hong Kong – Guangdong Cleaner Production Partners (Manufacturing)” once again, in recognition of its contribution in environmental protection.

**Mr. Wong Wai Sheung, Chairman and Chief Executive of the Group** said, “The Group attaches great importance to environmental protection and endeavours to promote sustainable development. We incorporate relevant environmental strategies in every aspect of our business, and implement initiatives in areas such as energy saving and waste management in manufacturing, administration and daily retail operations to mitigate the impact on the environment. Looking forward, the Group will continue to strive to achieve environmental targets and enhance cleaner production technologies. While providing our customers with high-quality products and caring services, we will actively fulfil our social responsibility to contribute to environmental protection.”

Maxigood (Guangzhou) Jewellery Company Limited, a subsidiary of the Group in Nansha, Guangzhou, Guangdong, principally engages in the production and processing of jewellery products. It successfully attained the ISO 9001:2008 Quality Management Systems – Requirements and ISO 14001:2004 Environmental Management System certification in 2008 and 2009 respectively for its professionally recognised standards.

**About the “Hong Kong – Guangdong Cleaner Production Partners Recognition Scheme”**

The Environment Bureau of Hong Kong, in collaboration with the Economic & Information Commission of Guangdong Province, launched the Cleaner Production Partnership Programme in April 2008 to encourage and facilitate Hong Kong-owned factories in Hong Kong and Guangdong to adopt cleaner production technologies and practices. To further galvanise the efforts in promoting cleaner production, the Hong Kong and Guangdong governments jointly launched the “Hong Kong – Guangdong Cleaner Production Partners Recognition Scheme” in 2009, awarding commendations of “Hong Kong – Guangdong Cleaner Production Partners (Manufacturing)” to enterprises which demonstrate active participation in cleaner production with outstanding performance.
