Over-allotment Option

In connection with the Global Offering, the Company has granted to the International Underwriters the Over-allotment Option, exercisable by the Joint Representatives on behalf of the International Underwriters, within 30 days from the last day for lodging applications under the Hong Kong Public Offering (the last day for exercise of the Over-allotment Option being Friday, August 6, 2021) to require the Company to issue up to 23,264,000 Shares, representing approximately 15% of the Offer Shares initially available under the Global Offering, at the Offer Price, to cover over-allocations in the International Offering, if any. There has been an over-allocation of 23,264,000 Offer Shares in the International Offering and such over-allocation will be settled using Shares to be borrowed under the Stock Borrowing Agreement between Goldman Sachs (Asia) L.L.C. (or its affiliates or any person acting for it) and Tiantian. Such borrowed Shares will be covered by exercising the Over-allotment Option or by making purchases in the secondary market at prices that do not exceed the Offer Price or by a combination of these means. In the event the Over-allotment Option is exercised, an announcement will be made on the Stock Exchange's website at www.hkexnews.hk and the Company's website at <http://ir.medlive.cn>. As of the date of this announcement, the Over-allotment Option has not been exercised.
