THE ISSUE MANDATE

An ordinary resolution will be proposed at the AGM to grant to the Directors a general and unconditional mandate to issue, allot, and deal with Shares up to a maximum of 20% of the issued share capital of the Company as at the date of passing the resolution.

LETTER FROM THE BOARD

RECOMMENDATIONS

On the re-election of Directors which will be moved as ordinary businesses at the AGM as set out in item 2 of the AGM Notice, the Board has received a recommendation from the Nomination Committee for proposing both retiring Directors, namely Mr. Shum Chun, Lawrence and Mr. Cen Ziniu for re-election at the AGM.

Taking into consideration the recommendation of the Nomination Committee and the qualification, experience and character of each of the retiring Directors, the Directors recommend Shareholders to vote in favour of the resolutions to be proposed for the re-election of the retiring Directors as Directors of the Company.

On the resolutions relating to the grant of general mandates, the existing general mandates granted to the Directors to issue and repurchase shares will expire at the conclusion of the forthcoming AGM. As special businesses, ordinary resolutions will be proposed at the AGM to grant to the Directors the Issue Mandate and the Repurchase Mandate. The Directors consider that the flexibility afforded to them by these mandates would all be beneficial to the Company and the Shareholders as a whole, and therefore recommend Shareholders to vote in favour of the relevant resolutions in respect of the Issue Mandate and the Repurchase Mandate as set out in the notice of the AGM.

Yours faithfully,

For and on behalf of the Board of
NewOcean Energy Holdings Limited
Cheung Man Kin
Company Secretary

This Appendix serves as an explanatory statement, as required under Rule 10.06(1)(b) and other relevant provisions the Listing Rules, to provide certain information to you for your consideration of the Repurchase Mandate.

GENERAL MANDATE TO REPURCHASE SHARES

The Ordinary Resolution set out under item 6 of the notice of the AGM will be proposed at the AGM for the purpose of renewing the general mandate granted to the Directors to repurchase the Company's Shares. Under the Repurchase Mandate, the aggregate nominal amount of Shares repurchased shall not exceed 10% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing of the Ordinary Resolution.

Whilst the Directors do not presently intend to repurchase any Shares immediately, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and the Shareholders as a whole.

The following sets out the information required under the Listing Rules to be provided to Shareholders relating to the Repurchase Mandate to enable them to make an informed decision on whether or not to approve the renewal of the Repurchase Mandate.

SHARES ALLOWED TO BE PURCHASED UNDER THE REPURCHASE MANDATE

On the basis of 1,468,124,216 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are issued or repurchased prior to the date of the resolution approving the Repurchase Mandate, exercise in full of the Repurchase Mandate could result in 146,812,421 Shares being repurchased by the Company during the period from the date of the resolution granting the Repurchase Mandate until the earlier of the conclusion of the next annual general meeting of the Company, the expiration of the period within which the next annual general meeting of the Company is required by law or the Bye-laws to be held, or the revocation or variation of the existing repurchase mandate by Shareholders in general meeting.

REASONS FOR REPURCHASE

The Directors believe that the authority given to them under the Repurchase Mandate will be in the interest the Company and the Shareholders as a whole. Repurchases pursuant to such mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the Shares, the Company's earnings per Share, and the liquidity of Shares on the Stock Exchange.

FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-laws and the laws of Bermuda, under which the Company was incorporated.

The laws of Bermuda provide that the amount required for a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the funds of the company that would otherwise be available for distribution by way of dividend or distribution, or the proceeds of a fresh issue of shares made for the purpose. The Directors propose that any repurchase of Shares under the Repurchase Mandate will be financed by the Company's internal cash resources derived from the aforesaid sources.

On the basis of the consolidated financial position of the Company as at 31 December, 2020 (being the date to which the latest published audited financial statements of the Company have been made up) taking into account the current financial commitments of the Company, the Directors consider that there might be an adverse impact on the working capital position of the Company in the event that purchases of all the Shares the subject of the Repurchase Mandate were to be carried out in full during the Repurchase Mandate period. No purchase of the Company's Shares would be made by the Directors in circumstances that would have a material adverse impact on the working capital position or the gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months before the printing of this explanatory statement are as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2020		
August	0.75	0.70
September	0.71	0.69
October	0.70	0.69
November	0.77	0.68
December	0.72	0.65
2021		
January	0.70	0.68
February	0.71	0.66
March	0.67	0.62
April	0.62	0.56
May	0.55	0.435
June	0.46	0.425
July (Up to the Latest Practicable Date)	0.435	0.43

TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares by the Company, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. In certain circumstances, a shareholder or a group of shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 of the Takeovers Code.

As at Latest Practicable Date, the immediate controlling shareholders of the Company, being Uniocean, Mr. Shum Siu Hung and Mr. Shum Chun, Lawrence hold respectively 479,139,280 Shares, 108,714,358 Shares and 57,623,558 Shares which together represent approximately 43.96% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, and assuming that there is no change in the number of Shares, the shareholding of the aforesaid controlling shareholders will increase from approximately 43.96% to approximately 48.85% of the issued share capital of the Company, and they would be obliged to make a mandatory general offer under Rule 26 of the Takeovers Code as a result of such increase. The Directors have no intention to exercise the Repurchase Mandate to such extent that would give rise to an obligation on the part of the immediate controlling shareholders of the Company to make a mandatory general offer under Rule 26 of the Takeovers Code.

SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

GENERAL

None of the Directors and, to the best of their knowledge and belief having made all reasonable enquires, none of their associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, nor have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, and the applicable laws of Bermuda.
