Dear Sir or Madam,

**GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES,
RE-ELECTION OF RETIRING DIRECTORS,
AND
NOTICE OF AGM**

INTRODUCTION

The purpose of this circular is to give you notice of the AGM, and to provide you with details of, among other things, (i) the general mandates to issue and repurchase Shares; and (ii) the re-election of retiring Directors.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

Resolutions will be proposed at the AGM to seek Shareholders' approval for, among other things, (i) the renewal of the General Mandate enabling the Directors to issue and allot new Shares up to 20% of the total number of issued Shares, amounting to 77,636,720 Shares, as at the date of passing such resolution, on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution at the AGM; (ii) the grant of the Buyback Mandate enabling the Company to repurchase Shares and up to 10% of the total number of issued Shares as at the date of passing of such resolution; and (iii) conditional upon the passing of the ordinary resolutions to approve the renewal of the General Mandate and the grant of the Buyback Mandate at the AGM, the extension of the General Mandate by an amount representing the total number of Shares repurchased by the Company under the Buyback Mandate, up to a maximum of 10% of the total number of issued Shares as at the date of passing of such resolution.

An explanatory statement containing the requisite information as required by the relevant provisions in the Listing Rules, which regulates the repurchase by companies with a primary listing on the Stock Exchange of their own shares on the Stock Exchange, is set out in Appendix I to this circular.

RE-ELECTION OF RETIRING DIRECTORS

In accordance with the Bye-laws, Mr. Tsui Ka Wah (“**Mr. Tsui**”) and Mr. Lo Kam Cheung, Patrick (“**Mr. Lo**”), independent non-executive Directors, will retire by rotation and, being eligible, will offer themselves for re-election at the AGM. On the recommendation of the nomination committee of the Company (the “**Nomination Committee**”), the Board proposes to the Shareholders for re-election of Mr. Tsui and Mr. Lo.

The proposed re-election of Mr. Tsui and Mr. Lo as independent non-executive Directors has been considered by the Nomination Committee taking into account the diversity aspects (including without limitation, gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge and length of service) as set out under the Board Diversity Policy of the Company and the skill mix of the Board. The Nomination Committee believes that with the respective knowledge and experience of Mr. Tsui and Mr. Lo in areas including corporate finance, financing, auditing, internal audit, and risk management, they will continue to make valuable contributions to the Group's business development.

The Nomination Committee has received the respective written confirmation of independence from Mr. Tsui and Mr. Lo, and has assessed and reviewed their independence based on the independence criteria as set out in Rule 3.13 of the Listing Rules. The Nomination Committee is of the view that both Mr. Tsui and Mr. Lo are independent.

LETTER FROM THE BOARD

Mr. Tsui has been serving as an independent non-executive Director since 2010. The Nomination Committee has evaluated the performance of Mr. Tsui and found he has not engaged in any executive management of the Group, but has consistently contributed independent judgement and critical mindset to the Board over the past years. Both the Board and the Nomination Committee is of the view that the independence of Mr. Tsui has not been affected despite he has served as an independent non-executive Director for more than 11 years.

Biographical details of Mr. Tsui and Mr. Lo are set out in Appendix II to this circular.

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material aspects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

By Order of the Board
Oriental Explorer Holdings Limited
Lau Chi Yung, Kenneth
Chairman

1. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Share but believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its assets or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

2. SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares comprised 388,183,600 Shares.

Subject to the passing of the resolution no. 6 of notice of the AGM, the Company would be allowed under the Buyback Mandate to repurchase a maximum of 38,818,360 Shares, representing 10% of the total number of issued Shares as at the date of passing of such resolution on the basis that no further Shares will be issued or repurchased prior to the date of the AGM.

3. FUNDING OF REPURCHASES

Repurchases must be funded entirely from the Company's available cash flow or working capital facilities, which will be legally available for the purpose in accordance with the Bye-laws and the laws of Bermuda. The Company is empowered by its memorandum of association and Bye-laws to purchase the Shares. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium or contributed surplus accounts of the Company. Under the laws of Bermuda, the shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced so that the shares may be subsequently re-issued.

If the Buyback Mandate was exercised in full, there might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2021). However, the Directors do not propose to exercise the Buyback Mandate to an extent which would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS' DEALINGS AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their associates have notified the Company that they currently intend to sell Shares to the Company or its subsidiaries in the event that the proposal is approved by the Shareholders.

No connected person has notified the Company that he/she/it currently intends to sell Shares to the Company nor has any such connected person undertaken not to sell any of such Shares held by them to the Company in the event that the Company is authorised to make repurchases of the Shares under the Buyback Mandate.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months immediately prior to the Latest Practicable Date were as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2021		
April	0.700	0.520
May	0.680	0.520
June	0.640	0.520
July	0.560	0.425
August	0.495	0.395
September	0.490	0.400
October	0.450	0.415
November	0.440	0.385
December	0.410	0.370
2022		
January	0.430	0.360
February	0.520	0.390
March	0.410	0.370
April (up to the Latest Practicable Date)	0.450	0.390

6. SHARE REPURCHASES MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, no Shares have been repurchased by the Company.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Buyback Mandate in accordance with the Listing Rules and the laws of Bermuda so far as the same may be applicable and in accordance with the regulations set out in the Bye-laws.

8. TAKEOVERS CODE CONSEQUENCES

If, as a result of a repurchase of securities, a substantial shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company or become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

In the event that the Directors exercise in full the power to repurchase the Shares, the percentage shareholding in the Company held by Multifield International Holdings Limited, the substantial shareholder, would be increased from 75.00% to approximately 83.33%. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any purchase to be made under the Buyback Mandate and will not exercise the Buyback Mandate to such extent as to result in the number of Shares which are in the hands of the public falling below 25% of the total number of issued Shares.
