Dr. Cheung has served as Independent Non-Executive Directors of the Company for more than 9 years. During his year of services with the Company, Dr. Cheung had demonstrated his ability to provide an independent view to the Company's business affairs. In accordance with the Bye Law 77, Mr. Alan Kam Hung Lee who was appointed as Executive Director of the Company on 1 April 2013 will hold office until the AGM and being eligible for re-election.

Details of the Directors proposed to be re-elected are set out in Appendix I in this circular.

GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES

At the annual general meeting of the Company held on 3 September 2012, the Shareholders passed resolutions granting general mandates to the Directors to issue and purchase shares in the Company. These general mandates will lapse at the conclusion of the AGM.

Ordinary Resolutions to give the Directors a general and unconditional mandate (i) to repurchase shares up to a maximum of 10% of the aggregate nominal value of the issued share capital of the Company; (ii) to issue, allot and deal with additional shares of the Company not exceeding 20% of the aggregate nominal value of the issued share capital of the Company; and (iii) to extend the general mandate in (ii) above to the addition of shares repurchased by the Company, up to a maximum of 10% of the aggregate nominal value of the issued share capital of the Company will be proposed at the AGM.

An explanatory statement as required by the Listing Rules to provide all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the ordinary resolutions to approve the purchase by the Company of its shares is set out in Appendix II in this circular.

Save as disclosed above, there is no other information that is required to be disclosed pursuant to paragraph (h) to (v) of Rule 13.51(2) of the Listing Rules in respect of the above Directors nor are there other matters that need to be brought to the attention of the Shareholders in respect of their re-election.

The following is the Explanatory Statement as required by the Listing Rules to provide information for Shareholders to consider whether to vote for or against the resolutions to be proposed at the AGM in relation to the proposed repurchase mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,154,038,656 ordinary shares of HK\$0.10 each. On the basis that no further shares are issued and no shares are repurchased by the Company prior to the AGM, the Company would be allowed under the Share Repurchase Mandate to repurchase a maximum of 115,403,865 ordinary shares during the period ending upon the conclusion of the 2014 annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required to be held by the Bye-Laws or by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting, whichever is the earliest.

2. REASONS FOR REPURCHASE

The Directors believe that the Share Repurchase Mandate affords the Company the flexibility and ability in pursuing the best interests for the Company and Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value and/or earnings per share and will only be made when the Directors believe that such repurchase will benefit the Company and Shareholders.

The Directors have no present intention to repurchase any shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the shares could be repurchased on terms favourable to the Company. The Directors anticipate that if the general mandate to repurchase shares were to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts) in the event that the proposed purchases were to be carried out in full at any time during the proposed purchase period. The Directors do not propose to exercise the mandate to repurchase shares to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

3. FUNDING OF REPURCHASE

Repurchases made pursuant to the proposed mandate to repurchase shares would be funded out of funds legally available for the purpose in accordance with the Bye-Laws, applicable laws of Bermuda and the Listing Rules.

4. UNDERTAKING AND DISCLOSURE OF INTERESTS

The Directors have undertaken to the Stock Exchange that they will exercise the Share Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda and the Bye-Laws.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective associates, have a present intention to sell any of the shares held by them to the Company in the event that the Share Repurchase Mandate is granted by the Shareholders.

No connected persons have notified the Company of a present intention to sell shares to the Company or have undertaken not to sell any of the shares held by them to the Company in the event that the Company is authorised to make the Share Repurchase Mandate.

5. EFFECT ON THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases on exercise of the power to repurchase shares pursuant to the Share Repurchase Mandate, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Forward Investments Inc., the single largest shareholder of the Company, holds approximately 24.54% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase shares, the shareholding of Forward Investments Inc. in the Company would be increased to approximately 27.27% of the issued share capital of the Company. In the opinion of Directors, such increase may not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any purchases made under the Share Repurchase Mandate.

6. SHARE PRICES

The highest and lowest market prices at which shares have been traded on the Stock Exchange in each of the previous 12 months before the Latest Practicable Date are as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
July 2012	0.71	0.68
August 2012	0.72	0.69
September 2012	0.80	0.71
October 2012	0.81	0.77
November 2012	0.85	0.75
December 2012	0.88	0.82
January 2013	0.93	0.84
February 2013	0.93	0.87
March 2013	1.23	0.87
April 2013	1.27	1.01
May 2013	1.10	1.02
June 2013	1.09	0.98
July 2013 (up to the Latest Practicable Date)	1.15	0.99

7. REPURCHASE OF SHARES

The Company had not purchased any of its shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
