GENERAL MANDATES TO ISSUE SHARES AND TO BUY-BACK SHARES

The Company's existing mandates to issue and buy-back Shares were approved by the Shareholders at the annual general meeting held on 30 May 2019. Such mandates had not been utilised and will lapse at the conclusion of the AGM. In order to give the Company flexibility to issue and buy-back Shares as and when appropriate, ordinary resolutions will be proposed at the AGM to approve the granting of new general mandates:

Subject to the passing of the aforesaid resolutions of the Issue Mandate and the Share Buy-back Mandate, a separate ordinary resolution will be proposed at the AGM to extend the number of Shares to be allotted and issued under the Issue Mandate by adding the number of Shares bought back by the Company pursuant to the Share Buy-back Mandate (if granted to the Directors at the AGM).

The Directors have no present intention to exercise the Issue Mandate or the Share Buy-back Mandate.

As at the Latest Practicable Date, a total of 63,525,397,057 Shares were in issue. Assuming that no Shares will be issued and/or bought back by the Company prior to the AGM, the Company will be allowed to issue a maximum of 12,705,079,411 Shares under the Issue Mandate. Assuming no Shares will be issued and/or bought back by the Company prior to the AGM, the Company will be allowed to buy-back a maximum of 6,352,539,705 Shares under the Share Buy-back Mandate.

An explanatory statement as required by the Listing Rules containing information regarding the Share Buy-back Mandate is set out in Appendix I to this circular.

LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that the granting of the Issue Mandate and the Share Buy-back Mandate and the re-election of the retiring Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of all the resolutions as set out in the AGM Notice to be proposed at the AGM.

By Order of the Board
Beijing Enterprises Clean Energy Group Limited
Hu Xiaoyong
Chairman

This appendix includes an explanatory statement required by the Listing Rules to be presented to the Shareholders concerning the Share Buy-back Mandate proposed to be granted to the Directors in the AGM.

1. SHARE CAPITAL

As at the Latest Practicable Date, there were 63,525,397,057 Shares in issue.

Subject to the passing of the relevant ordinary resolution to approve the Share Buy-back Mandate and on the basis that no further Shares are issued or bought back between the Latest Practicable Date and the AGM, the Directors would be authorised to exercise the powers of the Company to buy-back, during the period in which the Share Buy-back Mandate remains in force, a maximum of 6,352,539,705 Shares, representing 10% of the total number of issued Shares as at the date of the AGM.

2. REASONS FOR BUY-BACK

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to buy-back Shares on the market. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company per Share and/or its earnings per Share and will only be made when the Directors believe that such buy-back will benefit the Company and the Shareholders as a whole.

3. FUNDING AND IMPACT OF SHARE BUY-BACK

Any buy-back of Shares will be made out of funds which are legally available for the purpose in accordance with the Articles, the Listing Rules and the applicable laws of the Cayman Islands. As compared with the financial position of the Company as at 31 December 2019 (being the date to which the latest audited financial statements of the Company have been made up), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed buy-back of Shares were to be carried out in full during the proposed buy-back period.

The Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position of the Company which, in the opinion of the Directors, are from time to time appropriate for the Company.

4. EFFECT OF THE TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date and to the best knowledge and belief of the Directors, Fast Top Investment Limited, CPEChina Fund II, L.P., CPEChina Fund IIA, L.P., 北京中信投資中心 (有限合夥) (CITIC Private Equity Fund III (RMB)*) and their respective concert parties (within the meaning of the Takeovers Code) (including Mr. Hu Xiaoyong, Zhihua Investments Limited, Starry Chance Investments Limited, Maolin Investments Limited and Tenson Investment Limited) (the **"Group of Shareholders"**) are parties presumed to be acting in concert (within the meaning of the Takeovers Code) with respect to the Company, and the Group of Shareholders are interested in an aggregate of 40,818,534,146 Shares, representing approximately 64.26% of the total number of issued Shares. In the event that the Share Buy-back Mandate was exercised in full and assuming that there is no change in the number of Shares held by the Group of Shareholders and the total number of Shares in issue, the shareholding of the Group of Shareholders in the Company will be increased to approximately 71.39% of the total number of Shares in issue immediately after the exercise of the Share Buy-back Mandate.

In the opinion of the Directors such increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeover Code. In addition, the Directors have no intention to exercise the Share Buy-back Mandate to such an extent as will result in the number of Shares in the hands of the public falling below the prescribed minimum aggregate percentage (under the Listing Rules) of 25% of the total number of issued Shares.

5. GENERAL

To the best of their knowledge and belief, having made all reasonable enquiries, none of the Directors nor, any of their respective close associates (as defined in the Listing Rules) has any present intention, in the event that the granting of the proposed Share Buy-back Mandate is approved by the Shareholders, to sell Shares to the Company.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell any of his/her Shares to the Company, nor has he/she undertaken not to sell any Shares held by him/her to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to buy-back Shares pursuant to the Share Buy-back Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles.

6. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:
