DISCLOSEABLE TRANSACTION DISPOSAL OF 0.49% OF EQUITY INTEREST IN XINYU IRON

The Board announced that on 24 October 2008, Vicwah Metal is entitled to dispose of not more than 10% of the entire issued share capital of Xinyu Iron at the time of Xinhua Metal Share Reform Plan (equivalent to 19,322,037 shares) on the “A” share market of the Shanghai Stock Exchange for 24 months after the lock-up period of 12 months (the “Lock-up Period”) upon shares of Xinyu Iron becoming freely transferable shares. The Group has disposed of 6,820,500 shares of Xinyu Iron, representing approximately 0.49% of the entire issued share capital of Xinyu Iron (the “New Disposal”) in the open market from 8 October 2008 to 16 December 2008, for a consideration of approximately RMB28,601,000, equivalent to approximately HK\$32,440,000. Before the New Disposal, Vicwah Metal holds approximately 1.44% equity interest in Xinyu Iron. After the New Disposal, Vicwah Metal’s interests in Xinyu Iron have reduced to approximately 0.95%.

The Consideration for the New Disposal is based on the prevailing market prices of the shares of Xinyu Iron at the time of the New Disposal.

As the Consideration for the New Disposal represents more than 5% of one or more of the applicable percentage ratios under Chapter 14 of the Listing Rules, the New Disposal constitutes a discloseable transaction of the Company and is subject to the requirements of reporting and announcement under the Listing Rules. A circular containing details of the New Disposal will be despatched to the Shareholders as soon as practicable.

BACKGROUND

The Board announced that on 24 October 2008, Vicwah Metal is entitled to dispose of not more than 10% of the entire issued share capital of Xinyu Iron at the time of Xinhua Metal Share Reform Plan (equivalent to 19,322,037 shares) on the “A” share market of the Shanghai Stock Exchange for 24 months after the Lock-up Period. The Group has disposed of 6,820,500 shares of Xinyu Iron, representing approximately 0.49% of the entire issued share capital of Xinyu Iron (the “New Disposal”) from 8 October 2008 to 16 December 2008, in the open market, for the Consideration of approximately RMB28,601,000, equivalent to approximately HK\$32,440,000. After the New

Disposal, Vicwah Metal's interests in Xinyu Iron have reduced to approximately 0.95% (equivalent to 13,297,545 shares). The New Disposal constitutes a discloseable transaction of the Company as the Consideration of the New Disposal represents more than 5% of one or more of the applicable percentage ratios under Chapter 14 of the Listing Rules.

USE OF PROCEEDS AND FINANCIAL EFFECT OF THE NEW DISPOSAL

The net sale proceeds of the New Disposal after deducting all necessary charges for the New Disposal are intended to be used for general working capital purposes.

The carrying value of the total equity interests of Xinyu Iron in the consolidated balance sheet of the Company was approximately HK\$49,148,000, which is measured at equity accounting and HK\$357,657,000, which is measured at fair value as at 31 December 2006 and 2007 respectively. It is estimated that upon completion of the New Disposal, the Group will record an unaudited net gain of approximately HK\$20,323,000. The gain is calculated as the Consideration less the carrying value of the 6,820,500 shares of Xinyu Iron disposed of and other relevant taxes, expenses and charges, plus the attributable portion of the increase in fair value included in the investment revaluation reserve of the Group.

REASONS FOR AND BENEFITS OF THE NEW DISPOSAL

The entire equity interest in Xinyu Iron was non-freely transferable shares which were converted to freely transferable shares after the Xinhua Metal Share Reform Plan was approved by the Ministry of Commerce of the PRC and completed on 24 October 2006. Details of the Xinhua Metal Share Reform Plan are set out in the announcements of the Company dated 28 March, 28 August and 30 August, and 19 October 2006. For 24 months after the Lock-up Period, ie. from 24 October 2008, the number of shares in Xinyu Iron held by Vicwah Metal can be disposed of on the Shanghai Stock Exchange not exceed 10 % of the entire issued share capital of Xinyu Iron at the time of Xinhua Metal Share Reform Plan.

The Directors consider that the New Disposal represents a good opportunity for the Company to realize the investment in Xinyu Iron. On such basis, the Directors are of the opinion that the terms of the New Disposal (including the Consideration) are fair and reasonable and that the New Disposal is in the interests of the Company and the Shareholders as a whole.
