The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

(C) An alternate Director shall (except when absent from Hong Kong) be entitled to receive notices of meetings of the Board and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all the functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these presents shall apply as if he (instead of his appointor) were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative. If his appointor is for the time being absent from Hong Kong or otherwise not available or unable to act, his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor. (A) A Director may hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board may determine, and may be paid such extra remuneration therefor (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine, and such extra remuneration shall be in addition to any remuneration provided for by or pursuant to any other Article.

Director's interest.

(B) A Director may act by himself or his firm in a professional capacity for the Company (otherwise than as Auditor) and he or his firm shall be

entitled to remuneration for professional services as if he were not a Director.

(C) A Director of the Company may be or become a director or other officer of, or otherwise interested in, any company promoted by the Company or any other company in which the Company may be interested, and shall not be liable to account to the Company or the members for any remuneration, profit or other benefit received by him as a director or officer of or from his interest in such other company. The Board may also cause the voting power conferred by the shares in any other company held or owned by the Company to be exercised in such manner in all respects as it thinks fit, including the exercise thereof in favour of any resolution appointing the Directors or any of them to be directors or officers of such other company, or voting or providing for the payment of remuneration to the directors or officers of such other company.

(D) A Director shall not vote or be counted in the quorum on any resolution of the Board concerning his own appointment as the holder of any office or place of profit with the Company or any other company in which the Company is interested (including the arrangement or variation of the terms thereof, or the termination thereof).

(E) Where arrangements are under consideration concerning the appointment (including the arrangement or variation of the terms thereof, or the termination thereof) of two or more Directors to offices or places of profit with the Company or any other company in which the Company is interested, a separate resolution may be put in relation to each Director and in such case each of the Directors concerned shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment (or the arrangement or variation of the terms thereof, or the termination thereof) and except (in the case of an office or place of profit with any such other company as aforesaid) where the other company is a company in which the Director and/or any of his associate(s) own 5 per cent. or more in aggregate (as defined in paragraph (I) of this Article).

(F) Subject to the Ordinance and to the next paragraph of this Article, no Director or proposed or intending Director shall be disqualified from his office by contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatever, nor shall any such contract or any other contract or arrangement in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established.

(G) A Director who to his knowledge is in anyway, whether directly or indirectly, interested in a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Board at which the question of entering into the contract or arrangement is first taken into consideration, if he knows his interest then exists, or in any other case at the first meeting of the Board after he knows that he is or has become so interested. For this purpose, a general notice to the Board by a Director to the effect that:—

- (i) he is a member of a specified company or firm and is to

be regarded as interested in any contract or arrangement which may after the date of the notice be made with that company or firm; or

- (ii) he is to be regarded as interested in any contract or arrangement which may after the date of the notice be made with a specified person who is connected with him,

shall be deemed to be a sufficient declaration of interest in relation to any such contract or arrangement; provided that no such notice shall be effective unless either it is given at a meeting of the Board or the Director takes reasonable steps to secure that it is brought up and read at the next Board meeting after it is given. Provided that if such disclosure is made as aforesaid, a Director shall be entitled to vote in respect of any contract or arrangement in which he is interested and to be counted in the quorum present at the meeting at which such contract or arrangement is considered.

(H) Save as otherwise provided by the Articles, a Director shall not vote (or be counted in the quorum at a meeting) on any resolution of the Board in respect of any contract or arrangement or any other proposal in which he or any of his associates has a material interest, but this prohibition shall not apply to any of the following matters:—

- (i) the giving of any security or indemnity either:—
  - (a) to the Director or his associate(s) in respect of money lent or obligations incurred or undertaken by him or any of them at the request of or for the benefit of the Company or any of its subsidiaries; or
  - (b) to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which the Director or his associate(s) has himself/themselves assumed responsibility in whole or in part and whether alone or jointly under a guarantee or indemnity or by the giving of security;
- (ii) any proposal concerning an offer of shares or debentures or other securities of or by the Company or any other company which the Company may promote or be interested in for subscription or purchase where the Director or his associate(s) is/are or may be interested as a participant in the underwriting or sub-underwriting of the offer;
- (iii) any proposal concerning any other company in which the Director or his associate(s) is/are interested only, whether directly or indirectly, as an officer or executive or shareholder or in which the Director or his associate(s) is/are beneficially interested in shares of that company, provided that the Director and/or any of his associates are not in aggregate beneficially

interested in 5 per cent. or more of the issued shares of any class of such company (or of any third company through which his interest or that of his associate(s) is derived) or of the voting rights;

- (iv) any proposal or arrangement concerning the benefit of employees of the Company or its subsidiaries including:—
  - (a) the adoption, modification or operation of any employees' share scheme or any share incentive or share option scheme under which the Director or his associate(s) may benefit; or
  - (b) the adoption, modification or operation of a pension fund or retirement, death or disability benefits scheme which relates both to directors, his associate(s) and employees of the Company or any of its subsidiaries and does not provide in respect of any director or his associate(s), as such any privilege or advantage not generally accorded to the class of persons to which such scheme or fund relates;
- (v) any contract or arrangement in which the Director or his associate(s) is/are interested in the same manner as other holders of shares or debentures or other securities of the Company by virtue only of his/their interest in shares or debentures or other securities of the Company.

(I) A company shall be deemed to be a company in which a Director and/or any of his associate(s) own 5 per cent. or more in aggregate if he and/or any of his associate(s) are (either directly or indirectly) the holder(s) of or beneficially interested in 5 per cent. or more in aggregate of any class of the equity share capital of such company or of the voting rights available to members of such company. For the purpose of this paragraph there shall be disregarded any shares held by a Director or his associate(s) as bare or custodian trustee in which he has no beneficial interest, any shares comprised in a trust in which the interest of the Director or his associate(s) is/are in reversion or remainder if and so long as some other person is entitled to receive the income thereof, and any shares comprised in an authorised unit trust scheme in which the Director or his associate(s) is/are interested only as a unit holder.

(J) Where a company in which a Director and/or any of his associate(s) own 5 per cent. or more in aggregate (as defined in paragraph (I) of this Article) is materially interested in a transaction, then that Director shall also be deemed materially interested in such transaction.

(K) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director (other than the chairman of the meeting) or his associate(s) or as to the entitlement of any Director (other than such chairman) to vote or be counted in the quorum and such question is not resolved by his voluntarily agreeing to abstain from voting or not to be counted in the quorum, such question shall be referred to the chairman of the meeting and his ruling in relation to such other Director or his associate(s) shall be final and

conclusive except in a case where the nature or extent of the interest of the Director or his associate(s) concerned as known to such Director has not been fairly disclosed to the Board. If any question as aforesaid shall arise in respect of the chairman of the meeting or his associate(s), such question shall be decided by a resolution of the Board (for which purpose such chairman shall not be counted in the quorum and shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such chairman or his associate(s) as known to such chairman has not been fairly disclosed to the Board. For the purposes of this paragraph and in relation to an alternate Director, an interest of his appointor or his associate(s) shall be treated as an interest of the alternate Director without prejudice to any interest which the alternate Director has otherwise.

(L) The Company may by ordinary resolution ratify any transaction not duly authorised by reason of a contravention of this Article provided that no Director or any of his associate(s) having a material interest in such transaction shall vote upon such ordinary resolution in respect of any shares in the Company in which such Director is interested.

The provisions of the Companies Ordinance in relation to the filing of contracts for allotment shall be observed and the Board may appoint any person to sign on behalf of the persons entitled to share in a capitalisation issue and such appointment shall be effective and binding upon all concerned, and the contract may provide for the acceptance by such persons of the shares, debentures or other securities to be allotted and distributed to them respectively in satisfaction of their claims in respect of the sum so capitalised.

145. (A) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:—

Subscription Right Reserve.

- (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the “Subscription Right Reserve”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full such difference in respect of such additional shares as and when the same are allotted;
- (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above and other than for the purpose, if and so far as is required by law, of making good losses of the Company to the extent that the Company has no other reserve or account against which

it is permitted by law to debit such losses;

(iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:—

(a) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

(b) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par,

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

(iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account and capital redemption reserve fund) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered

form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(B) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

(C) A certificate or report by the Auditors for the time being of the Company as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders and all persons claiming through or under them respectively.

any kind and in particular of paid up shares, debentures or warrants to subscribe for securities of the Company or any other company, or in any one or more of such ways, with or without offering any rights to shareholders to elect to receive such dividend in cash, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties, and may determine that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the members concerned, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective. Where required, a contract shall be filed in accordance with the provisions of the Companies Ordinance and the Board may appoint any person to sign such contract on behalf of the persons entitled to the dividend and such appointment shall be effective.

In such case, the following provisions shall apply:—
  - (a) the basis of any such allotment shall be determined by the Board;
  - (b) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

  - (d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis

of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis.

- or*
- (ii) that shareholders entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit on the basis that the shares so allotted shall be of the same class or classes as the class or classes of shares already held by the allottee. In such case, the following provisions shall apply:—
    - (a) the basis of any such allotment shall be determined by the Board;
    - (b) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
    - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
    - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the

elected shares on such basis.

(B) The shares allotted pursuant to the provisions of paragraph (A) of this Article shall rank *pari passu* in all respects with the shares then in issue save only as regards participation:—

- (i) in the relevant dividend (or the right to receive or to elect to receive an allotment of shares in lieu thereof as aforesaid); or
- (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend

unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (A) of this Article in relation to the relevant dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (A) of this Article shall rank for participation in such distribution, bonus or rights.

(C) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of this Article with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Board may authorise any person to enter into on behalf of all members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

(D) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

(E) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful, or where the Board considers the costs or expenses or possible delays in ascertaining the existence or extent of the legal and other requirements applicable to such offer or acceptance of such offer out of proportion to the benefit of the Company, and in such event the provisions aforesaid shall be read and construed subject to such determination.

The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute by way of dividend.

152. Subject to the rights of persons, if any, entitled to shares with special rights as to dividend, all dividends shall be declared and paid according to the amounts paid or credited as paid up on the shares in respect whereof the dividend is paid, but no amount paid up or credited as paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share.

Dividends to be paid in proportion to paid up capital.

153. (A) The Board may retain any dividends or other moneys payable on or in respect of a share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
