PROPOSED CHANGE OF COMPANY NAME

As stated in the Company's announcement dated 8 April 2011, the Board proposed to change the name of the Company from "Fushan International Energy Group Limited" (福山國際能源集團有限公司) to "Shougang Fushan Resources Group Limited" (首鋼福山資源集團有限公司).

LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

RECOMMENDATION

The Directors consider that the proposals for (i) granting of general mandates to the Directors to issue and repurchase Shares; (ii) re-election of retiring Directors and (iii) change of company name are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting in respect thereof.

Yours faithfully,
For and on behalf of
Fushan International Energy Group Limited
Wang Pingsheng
Chairman

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

1. SHAREHOLDERS' APPROVAL

All proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval of a particular transaction. The Company's sole listing is on the Stock Exchange.

2. SOURCE OF FUNDS

Repurchases must be funded out of funds legally available for the purpose in accordance with the memorandum and articles of association of the Company and applicable laws of Hong Kong. It is presently proposed that any Shares repurchased under the Repurchase Mandate would be purchased out of the capital paid up on the repurchased Shares, the profits of the Company which would otherwise be available for dividend and the Company's share premium account.

3. EXERCISE OF THE REPURCHASE MANDATE

The Shares proposed to be repurchased by the Company must be fully paid up. Under the Listing Rules, the total number of shares which a company is authorised to repurchase on the Stock Exchange is shares representing up to a maximum of 10% of the existing issued share capital as at the date of the resolution granting such general mandate. Exercise in full of the Repurchase Mandate, on the basis of 5,380,563,842 Shares in issue as at the Latest Practicable Date and assuming no Shares are issued and repurchased by the Company prior to the Annual General Meeting, could result in up to 538,056,384 Shares, which represents 10% of the issued share capital of the Company as at the Latest Practicable Date, being repurchased by the Company during the period from the passing of the resolution granting the Repurchase Mandate up to the conclusion of the next annual general meeting of the Company or the expiration of the period within the next annual general meeting of the Company as required by the applicable laws of Hong Kong to be held, or when revoked or varied by an ordinary resolution of Shareholders in general meeting, whichever occurs first.

4. REASONS FOR REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that it is in the best interests of the Company and the Shareholders to have a general authority from Shareholders to enable the Directors to purchase Shares on the market. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

5. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws of Hong Kong.

The exercise in full of the Repurchase Mandate might have a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in its most recent audited accounts for the year ended 31 December 2010. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

6. GENERAL

- (a) None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders to sell the Shares to the Company or its subsidiaries.
- (b) The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.
- (c) If on exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for purposes of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert could obtain or consolidate control of a repurchasing company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Shougang Holding (Hong Kong) Limited ("Shougang Holding") and its associates were interested in approximately 27% of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full and no further Shares are issued during the proposed repurchase period, the interest held by Shougang Holding and its associates in the issued share capital of the Company will increase to approximately 30%. Such increase in the interest held by Shougang Holding and its associates in the Company would possibly give rise to an obligation to make a mandatory offer under the Takeovers Code. However, the Directors have no present intention to repurchase Shares to such extent that would give rise to Shougang Holding an obligation to make a mandatory offer under the Takeovers Code.

- (d) The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date and will not repurchase its Shares if public float is less than 25%.

- (e) No connected person has notified the Company that he or she has a present intention to sell Shares to the Company, and no connected person has undertaken not to sell any of Shares held by him or her to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.
- (f) The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2010		
April	6.180	5.450
May	5.550	4.130
June	4.970	4.260
