22. If a sum called in respect of a share shall not be paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate, not exceeding 15 per cent. per annum, as the Board may determine, but the Board shall be at liberty to waive payment of such interest wholly or in part.

23. Any sum which, by the terms of issue of a share, becomes payable on allotment or at any date fixed by or in accordance with such terms of issue, whether on account of the nominal amount of the share or by way of premium, shall for all the purposes

of these Articles be deemed to be a call duly made, notified and payable on the date on which, by the terms of issue, the same becomes payable and, in case of non-payment, all the relevant provisions of these Articles as to payment of interest, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

24. The Board may on the issue of shares differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

25. The Board may, if it thinks fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon any shares held by him and upon all or any of the money so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate, not exceeding (unless the Company by ordinary resolution shall otherwise direct) 15 per cent. per annum, as may be agreed upon between the Board and the Member paying such sum in advance.

FORFEITURE OF SHARES

26. If any call or instalment of a call remains unpaid on any share after the day appointed for payment thereof, the Board may at any time serve a notice on the holder of such share requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.

27. The notice shall name a further day (not being less than fourteen days from the date of the notice) on or before which, and the place where, the payment required by the notice is to be made and shall state that in the event of non-payment on or before the day and at the place appointed, the shares in respect of which such call was made or instalment is payable will be liable to be forfeited. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture shall include surrender.

28. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls or instalments and interest due in respect thereof has been made, be forfeited by a resolution of the Board of that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture.

29. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share; but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice as aforesaid.

30. Until cancelled in accordance with the requirements of the Ordinance, a forfeited share shall be deemed to be the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was, before forfeiture, the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Board shall think fit, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board may think fit.

31. A person whose shares have been forfeited shall thereupon cease to be a Member in respect of the forfeited shares but shall, notwithstanding the forfeiture, remain liable to pay to the Company all moneys which at the date of forfeiture were presently

payable by him to the Company in respect of the shares with interest thereon at the rate fixed by the terms of issue of the shares or, if no such rate is fixed, at the rate of 15 per cent. per annum (or such lower rate as the Board may determine) from the date of forfeiture until payment, and the Company may enforce payment without being under any obligation to make any allowance for the value of the shares forfeited or for any consideration received on their disposal.

32. A statutory declaration that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited on the date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration (if any) given for the share on the sale, re-allotment or disposition thereof and the Board may authorise some person to transfer the share to the person to whom the same is sold, re-allotted or disposed of, and he shall thereupon be registered as the holder of the share and shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, sale, re-allotment or disposal of the share.

TRANSFER OF SHARES

33. Subject to such of the restrictions of the Articles as may be applicable, any Member may transfer all or any of his shares by an instrument of transfer in the usual common form or in any other form which the Board may approve.

34. The instrument of transfer of a share shall be signed by or on behalf of the transferor and (in the case of a partly paid share) the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. All instruments of transfer, when registered, may be retained by the Company.

35. The Board may, in its absolute discretion and without assigning any reason therefor, decline to register any transfer of any share which is not a fully paid share.

36. The Board may also decline to register any transfer unless:-

- (a) the instrument of transfer is lodged with the Company accompanied by the certificate for the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
- (b) the instrument of transfer is in respect of only one class of share; and
- (c) in the case of a transfer to joint holders, the number of joint holders to whom the share is to be transferred does not exceed four.

37. If the Board declines to register a transfer it shall, within two months after the date on which the instrument of transfer was lodged, send to the transferee notice of the refusal.

38. A fee not exceeding 2 Hong Kong Dollars (or such higher amount as shall for the time being be approved by The Stock Exchange of Hong Kong Limited) may be charged

by the Company for registering any transfer, or other document relating to or affecting the title to any share, or for otherwise making any entry in the Register of Members relating to any share.

TRANSMISSION OF SHARES

39. In the case of the death of a Member the survivor or survivors, where the deceased was a joint holder, and the executors or administrators of the deceased, where he was a sole holder, shall be the only persons recognised by the Company as having any title to his shares; but nothing herein contained shall release the estate of a deceased holder from any liability in respect of any share held by him solely or jointly with other persons.

40. Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member or otherwise by operation of law may, subject as hereinafter provided and upon such evidence being produced as may from time to time be required by the Board as to his entitlement, either be registered himself as the holder of the share or elect to have some person nominated by him registered as the transferee thereof. If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have his nominee registered, he shall signify his election by signing an instrument of transfer of such share in favour of his nominee. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or instrument of transfer as aforesaid as if the death or bankruptcy of the Member or other event giving rise to the transmission had not occurred and the notice or instrument of transfer was an instrument of transfer signed by such Member.

41. A person becoming entitled to a share in consequence of the death or bankruptcy of a Member or otherwise by operation of law shall (upon such evidence being produced as may from time to time be required by the Board as to his entitlement) be entitled to receive and may give a discharge for any dividends or other money payable in respect of the share, but he shall not be entitled in respect of the share to receive notices of or to attend or vote at general meetings of the Company or at any separate meeting of the holders of any class of shares in the Company or, save as aforesaid, to exercise in respect of the share any of the rights or privileges of a Member until he shall have become registered as the holder thereof. The Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within sixty days the Board may thereafter withhold payment of all dividends and other money payable in respect of the share until the requirements of the notice have been complied with.

CHANGES IN SHARE CAPITAL

42. The Company may from time to time by ordinary resolution increase its capital by such sum to be divided into shares of such amounts as the resolution shall prescribe. Subject to the Ordinance, the Company may, by the resolution increasing the capital, direct that the new shares or any of them shall be offered in the first instance to all the holders for the time being of shares of any class or classes in proportion to the number of such shares held by them respectively or may make any other provisions as to issue of the new shares. The new shares shall be subject to all the provisions of the Articles with reference to lien, the payment of calls, forfeiture, transfer, transmission and otherwise.

43. The Company may exercise any powers conferred or permitted by the Ordinance or any other ordinance from time to time to purchase or otherwise acquire its own shares and warrants (including any redeemable shares) at any price or to give, directly or indirectly, by means of a loan, guarantee, the provision of security or otherwise, financial assistance for the purpose of or in connection with a purchase or other acquisition made or to be made by any person of any shares or warrants in the Company and should the Company purchase or otherwise acquire its own shares or warrants neither the Company nor the Board shall be required to select the shares or warrants to be purchased or otherwise acquired ratably or in any other particular manner as between the holders of shares or warrants of the same class or as between them and the holders of shares or warrants of any other class or in accordance with the rights as to dividends or capital conferred by any class of shares provided always that any such purchase or other acquisition or financial assistance shall only be made or given in accordance with any relevant rules or regulations issued by The Stock Exchange of Hong Kong Limited or the Securities and Futures Commission from time to time in force.

44. The Company may from time to time by ordinary resolution:-

- (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
- (b) sub-divide its shares or any of them into shares of smaller amount than is fixed by the Memorandum of Association (subject, nevertheless, to the Ordinance) and so that the resolution whereby any share is sub-divided may determine that as between the holders of the shares resulting from such sub-division one or more of the shares may have any such preferred or other special rights over, or may have such deferred or qualified rights or be subject to any such restrictions as compared with, the other or others as the Company has power to attach to unissued or new shares;
- (c) cancel any shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person and diminish the amount of its authorised share capital by the amount of the shares so cancelled;

and may also by special resolution:-

- (d) subject to any confirmation or consent required by law, reduce its authorised and issued share capital or any capital redemption reserve or any share premium account in any manner.

Where any difficulty arises in regard to any consolidation and division under paragraph (a) of this Article, the Board may settle the same as it thinks expedient and in particular may issue fractional certificates or arrange for the sale of the shares representing fractions and the distribution of the net proceeds of sale in due proportion amongst the Members who would have been entitled to the fractions, and for this purpose the Board may authorise some person to transfer the shares representing fractions to or in accordance with the directions of the purchaser thereof. The transferee shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

GENERAL MEETINGS

45. The Board shall convene and the Company shall hold general meetings as annual general meetings in accordance with the requirements of the Ordinance at such times and places as the Board shall appoint. Any general meeting of the Company other than an annual general meeting shall be called an extraordinary general meeting.

46. The Board may, whenever it thinks fit, convene an extraordinary general meeting.

NOTICE OF GENERAL MEETINGS

47. An annual general meeting and a meeting called for the passing of a special resolution shall be called by not less than twenty-one days' notice in writing and a meeting other than an annual general meeting or a meeting called for the passing of a special resolution shall be called by not less than fourteen days' notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, day and time of meeting, and, in the case of special business, the general nature of that business. The notice convening an annual general meeting shall specify the meeting as such, and the notice convening a meeting to pass a special resolution shall specify the intention to propose the resolution as a special resolution. Notice of every general meeting shall be given in manner hereinafter mentioned to all Members other than such as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, and also to the Auditors for the time being of the Company.

Notwithstanding that a meeting of the Company is called by shorter notice than that specified in this Article, it shall be deemed to have been duly called if it is so agreed:-

- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
- (b) in the case of any other meeting, by a majority in number of the Members having a right to attend and vote at the meeting, being a majority together holding not less than 95 per cent. in nominal value of the shares giving that right.

48. The accidental omission to give notice of a meeting or (in cases where instruments of proxy are sent out with the notice) the accidental omission to send such instrument of proxy to, or the non-receipt of notice of a meeting or such instrument of proxy by, any person entitled to receive such notice shall not invalidate the proceedings at that

meeting.

PROCEEDINGS AT GENERAL MEETINGS

49. All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting with the exception of:-

- (a) the declaration and sanctioning of dividends;
- (b) the consideration and adoption of the accounts and balance sheet and the reports of the Directors and other documents required to be annexed to the accounts;
- (c) the election of Directors in place of those retiring (by rotation or otherwise);
- (d) the appointment of Auditors where special notice of the resolution for such appointment is not required by the Ordinance; and
- (e) the fixing of, or the determining of the method of fixing, the remuneration of the Directors and of the Auditors.

50. No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business, but the absence of a quorum shall not preclude the appointment choice or election of a chairman which shall not be treated as part of the business of the meeting. Save as otherwise provided by these Articles, two Members present in person or by proxy and entitled to vote shall be a quorum for all purposes. A corporation being a Member shall be deemed for the purpose of these Articles to be present in person if represented by proxy or in accordance with the provisions of the Ordinance.

51. If within five minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to such other day (not being less than fourteen nor more than twenty-eight days thereafter) and at such other time or place as the chairman of the meeting may determine and at such adjourned meeting one Member present in person or by proxy (whatever the number of shares held by him) shall be a quorum. The Company shall give not less than seven days' notice in writing of any meeting adjourned through want of a quorum and such notice shall state that one Member present in person or by proxy (whatever the number of shares held by him) shall be a quorum.

52. Each Director shall be entitled to attend and speak at any general meeting of the Company and at any separate meeting of the holders of any class of shares in the Company.

53. The Chairman (if any) of the Board or, in his absence, a Deputy Chairman (if any) shall preside as chairman at every general meeting. If there is no such Chairman or Deputy Chairman, or if at any meeting neither the Chairman nor a Deputy Chairman is present within five minutes after the time appointed for holding the meeting, or if neither of them is willing to act as chairman, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no

Director is present, or if each of the Directors present declines to take the chair, the persons present and entitled to vote on a poll shall elect one of their number to be chairman.

54. The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for three months or more, notice of the adjourned meeting shall be given as in the case of an original meeting.

55. Save as expressly provided by these Articles, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

VOTING

56. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is duly demanded. Subject to the Ordinance, a poll may be demanded by:-

- (a) the chairman of the meeting; or
- (b) at least three Members present in person or by proxy and entitled to vote; or
- (c) any Member or Members present in person or by proxy and representing in the aggregate not less than one-tenth of the total voting rights of all Members having the right to attend and vote at the meeting; or
- (d) any Member or Members present in person or by proxy and holding shares conferring a right to attend and vote at the meeting on which there have been paid up sums in the aggregate equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

Unless a poll is so demanded and the demand is not withdrawn, a declaration by the chairman that a resolution has, on a show of hands, been carried or carried unanimously or by a particular majority or not carried by a particular majority or lost shall be final and conclusive, and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded for or against such resolution.

57. If a poll is duly demanded it shall be taken in such manner as the chairman shall direct and he may appoint scrutineers (who shall be the Auditors, share registrar of the Company or external accountants who are qualified to serve as auditors for the Company). The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

58. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (being not later than three months after the date of the demand) and place as the chairman shall direct. It shall not be necessary (unless the chairman otherwise directs) for notice to be given of a poll.

59. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded, and it may be withdrawn with the consent of the chairman at any time before the close of the meeting or the taking of the poll, whichever is the earlier.

60. On a poll votes may be given either personally or by proxy.

61. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.

62. In the case of an equality of votes at a general meeting, whether on a show of hands or on a poll, the chairman of such meeting shall be entitled to a second or casting vote.

63. In the case of joint holders of a share the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

64. A Member in respect of whom an order has been made by any competent court or official on the ground that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs may vote, whether on a show of hands or on a poll, by any person authorised in such circumstances to do so on his behalf and such person may vote on a poll by proxy. Evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote shall be delivered at the Office (or at such other place as may be specified in accordance with these Articles for the delivery of instruments appointing a proxy) not later than the last time at which a valid instrument of proxy could be so delivered.

65. No Member shall, unless the Board otherwise determines, be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the Company have been paid.

65A. Where any Member is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.

66. If (i) any objection shall be raised to the qualification of any vote or (ii) any votes have been counted which ought not to have been counted or which might have been rejected or (iii) any votes are not counted which ought to have been counted, the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

67. Subject to the provisions of these Articles and the Ordinance, any Member entitled to attend and vote at a meeting of the Company is entitled to appoint one or two proxies to attend and vote instead of him. A proxy need not be a Member.

67A. Where a Member is a recognised clearing house within the meaning of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and any amendments thereto for the time being in force, it may authorise such person or persons as it thinks fit to act as its proxy and/or representative (or proxies and/or representatives) at any meeting provided that, if more than one person is so authorised, the authorisation must specify the number of shares in respect of which each such person is so authorised. The person so authorised will be entitled to exercise the same power on behalf of the recognised clearing house as that clearing house (or its nominees) could exercise if it were an individual Member of the Company.

68. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same.

69. The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power or authority, shall be delivered at the Office (or at such other place in Hong Kong as may be specified in the notice convening the meeting or in any notice of any adjournment or, in either case, in any document sent therewith) not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting, not less than twenty-four hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting or poll concerned.

70. Instruments of proxy shall be in any common form or in such other form as the Board may approve and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to demand or join in demanding a poll and to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit, provided that any form issued to a member for use by him for appointing a proxy to attend and vote at an extraordinary general meeting or at an annual general meeting at which special business (determined as provided in Article 49) is to be transacted shall be such as to enable the member, according to his intention, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such special business. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

71. A vote given or poll demanded by proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll, unless notice in writing of such determination was received by the Company at the Office (or such other place in Hong

Kong as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) one hour at least before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll not taken on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.

APPOINTMENT AND REMOVAL OF DIRECTORS

72. Subject to the provisions of these Articles and the Ordinance, the Company may by ordinary resolution elect any person to be a Director, either to fill a casual vacancy or as an addition to the existing Board, but so that the total number of Directors shall not at any time exceed any maximum number fixed by or in accordance with these Articles.

73. Without prejudice to the power of the Company in general meeting in pursuance of any of the Articles to appoint any person to be a Director and subject to the Ordinance, the Board shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Board, but so that the total number of Directors shall not at any time exceed any maximum number fixed by or in accordance with the Articles. Any Director so appointed by the Board shall hold office only until the next following annual general meeting and shall then be eligible for re-election but shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at such meeting.

74. The Company may by ordinary resolution remove any Director before the expiration of his period of office and may (subject to these Articles) by ordinary resolution appoint another person in his place. Any person so appointed shall be subject to retirement at the same time as if he had become a Director on the day on which the Director in whose place he is appointed was last elected a Director.

75. No person other than a Director retiring at the meeting shall, unless recommended by the Board, be eligible for election to the office of Director at any general meeting unless, during the period commencing no earlier than the day after the despatch of the notice of the meeting appointed for such election and ending no later than seven days prior to the date of such meeting, there has been given to the Secretary notice in writing by some Member (not being the person to be proposed) entitled to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also notice in writing signed by the person to be proposed of his willingness to be elected.

DISQUALIFICATION OF DIRECTORS

76. Without prejudice to the provisions for retirement by rotation hereinafter contained, the office of a Director shall be vacated in any of the events following, namely:-

- (a) if (not being an Executive Director whose contract precludes resignation) he resigns his office by notice in writing delivered to the Office or tendered at a meeting of the Board;
- (b) if he becomes of unsound mind or a patient for any purpose of any statute relating to mental health and the Board resolves that his office is vacated;

- (c) if, without leave, he is absent from meetings of the Board (whether or not an alternate Director appointed by him attends) for twelve consecutive months, and the Board resolves that his office is vacated;
- (d) if he becomes bankrupt or compounds with his creditors;
- (e) if he is prohibited by law from being a Director;
- (f) if he ceases to be a Director by virtue of the Ordinance or is removed from office pursuant to these Articles.

ROTATION OF DIRECTORS

77. Every Director, including those appointed for a specific term, shall retire by rotation at least once every three years at annual general meeting.

78. – deleted –

79. A retiring Director shall be eligible for re-election.

80. Subject to the provisions of these Articles, the Company at the meeting at which a Director retires in manner aforesaid may fill the vacated office by electing a person thereto and in default the retiring Director shall, if willing to continue to act, be deemed to have been re-elected, unless at such meeting it is expressly resolved not to fill such vacated office or unless a resolution for the re-election of such Director shall have been put to the meeting and lost.

EXECUTIVE DIRECTORS

81. The Board may from time to time appoint one or more of its body to be a Managing Director, Joint Managing Director or Deputy Managing Director or to hold any other employment or executive office with the Company for such period (subject to the Ordinance) and upon such terms as the Board may determine and may revoke or terminate any of such appointments. Any such revocation or termination as aforesaid will be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director for any breach of any contract of service between him and the Company which may be involved in such revocation or termination.

82. An Executive Director shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine, and either in addition to or in lieu of his remuneration as a Director.

83. (A) Each Director shall have the power to appoint any person to be his alternate Director and may at his discretion remove such alternate Director. If such alternate Director is not another Director, such appointment, unless previously approved by the Board, shall have effect only upon and subject to it being so approved. Any appointment or removal of an alternate Director shall be effected by notice in writing signed by the appointor and delivered to the Office or tendered at a meeting of the Board, or in any other manner approved by the Board. An alternate Director shall, if his appointor so requests, be entitled to receive notices of meetings of the Board or of committees of the Board to the same extent as, but in lieu of, the Director appointing him and shall be entitled to such extent to attend

and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to exercise and discharge all the functions, powers and duties of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he were a Director.

(B) Every person acting as an alternate Director shall (except as regards power to appoint an alternate Director and remuneration) be subject in all respects to the provisions of these Articles relating to Directors and shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the Director appointing him. An alternate Director may be paid expenses and shall be entitled to be indemnified by the Company to the same extent *mutatis mutandis* as if he were a Director but shall not be entitled to receive from the Company any fee in his capacity as an alternate Director.

(C) Every person acting as an alternate Director shall have one vote for each Director or whom he acts as alternate (in addition to his own vote if he is also a Director). The signature of an alternate Director to any resolution in writing of the Board or a committee of the Board shall, unless the notice of his appointment provides to the contrary, be as effective as the signature of his appointor.

(D) An alternate Director shall *ipso facto* cease to be an alternate Director if his appointor ceases for any reason to be a Director provided that, if at any meeting any Director retires by rotation or otherwise but is re-elected at the same meeting, any appointment made by him pursuant to this Article which was in force immediately before his retirement shall remain in force as though he had not retired.

ADDITIONAL REMUNERATION AND EXPENSES

84. Each Director may be paid his reasonable travelling, hotel and incidental expenses of attending and returning from meetings of the Board or committees of the Board or general meetings or any other meeting which as a Director he is entitled to attend and shall be paid all expenses properly and reasonably incurred by him in the conduct of the Company's business or in the discharge of his duties as a Director. Any Director who, by request, goes or resides outside the jurisdiction in which he normally resides for any purposes of the Company or who performs services which in the opinion of the Board go beyond the ordinary duties of a Director may be paid such extra remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine and such extra remuneration shall be in addition to any remuneration provided for by or pursuant to any other Article.

DIRECTORS' INTERESTS

85. (A) A Director may hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board may determine, and may be paid such extra remuneration therefor (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine, and such extra remuneration shall be in addition to any remuneration provided for by or pursuant to any other Article.

(B) A Director may act by himself or his firm in a professional capacity for the Company (otherwise than as Auditor) and he or his firm shall be entitled to

remuneration for professional services as if he were not a Director.

(C) A Director of the Company may be or become a director or other officer of, or otherwise interested in, any company promoted by the Company or in which the Company may be interested, and shall not be liable to account to the Company or the Members for any remuneration, profit or other benefit received by him as a director or officer of or from his interest in such other company. The Board may also cause the voting power conferred by the shares in any other company held or owned by the Company to be exercised in such manner in all respects as it thinks fit, including the exercise thereof in favour of any resolution appointing the Directors or any of them to be directors or officers of such other company, or voting or providing for the payment of remuneration to the directors or officers of such other company.

(D) A Director shall not vote or be counted in the quorum on any resolution of the Board concerning his own appointment as the holder of any office or place of profit with the Company or any other company in which the Company is interested (including the arrangement or variation of the terms thereof, or the termination thereof).

(E) Where arrangements are under consideration concerning the appointment (including the arrangement or variation of the terms thereof, or the termination thereof) of two or more Directors to offices or places of profit with the Company or any other company in which the Company is interested, a separate resolution may be put in relation to each Director and in such case each of the Directors concerned shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment (or the arrangement or variation of the terms thereof, or the termination thereof) and except (in the case of an office or place of profit with any such other company as aforesaid) where the other company is a company in which the Director owns 5 per cent. or more.

(F) Subject to the Ordinance and to the next paragraph of this Article, no Director or proposed or intending Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatever, nor shall any such contract or any other contract or arrangement in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the Members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established.

(G) A Director who to his knowledge is in any way, whether directly or indirectly, interested in a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Board at which the question of entering into the contract or arrangement is first taken into consideration, if he knows his interest then exists, or in any other case at the first meeting of the Board after he knows that he is or has become so interested. For this purpose, a general notice to the Board by a Director to the effect that (a) he is a member of a specified company or firm and is to be regarded as interested in any contract or arrangement which may after the date of the notice be made with that company or firm or (b) he is to be regarded as interested in any contract or arrangement which may after the date of the notice be made with a specified person who is connected with him, shall be deemed to be a sufficient declaration of interest in relation to any such contract or arrangement; provided that no such notice shall be effective unless

either it is given at a meeting of the Board or the Director takes reasonable steps to secure that it is brought up and read at the next Board meeting after it is given.

(H) Save as otherwise provided by the Articles, a Director shall not vote (nor be counted in the quorum) on any resolution of the Board in respect of any contract or arrangement in which he, or any of his associate(s), is to his knowledge materially interested, but this prohibition shall not apply to any of the following matters namely:-

- (i) the giving of any security or indemnity either:-
 - (a) to a Director or his associate(s) in respect of money lent or obligations incurred or undertaken by him or any of them at the request of or for the benefit of the Company or any of its subsidiaries; or
 - (b) to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which the Director or his associate(s) has himself/themselves assumed responsibility in whole or in part and whether alone or jointly under a guarantee or indemnity or by the giving of security;
- (ii) any proposal concerning an offer of shares or debentures or other securities of or by the Company or any other company which the Company may promote or be interested in for subscription or purchase where the Director or his associate(s) is/are or is/are to be interested as a participant in the underwriting or sub-underwriting of the offer;
- (iii) any proposal or arrangement concerning any other company in which the Director or his associate(s) is/are interested only, whether directly or indirectly, as an officer or executive or shareholder or in which the Director or his associate(s) do not own in aggregate 5 per cent. or more;
- (iv) any proposal or arrangement concerning the benefit of employees of the Company or its subsidiaries including:-
 - (a) the adoption, modification or operation of any employees' share scheme or any share incentive or share option scheme under which the Director or his associate(s) may benefit; or
 - (b) the adoption, modification or operation of a pension fund or retirement, death or disability benefits scheme which relates both to Directors, his associate(s) and employees of the Company or any of its subsidiaries and does not provide in respect of any Director, or his associate(s), as such any privilege or advantage not generally accorded to the class of persons to which such scheme or fund relates; and
- (v) any contract or arrangement in which the Director or his associate(s) is/are interested in the same manner as other holders of shares or debentures or other securities of the Company by virtue only of his/their interest in shares or debentures or other securities of the Company.

(I) A company shall be deemed to be a company in which a Director or his associate(s) owns 5 per cent. or more if and so long as (but only if and so long as) he/they is/are (either directly or indirectly) the holder(s) of or beneficially interested in 5 per cent. or more of the issued shares of any class of such company (or of any third company through which his interest or that of his associate(s) is derived) or of the voting rights available to members of such company. For the purpose of this paragraph there shall be disregarded any shares held by a Director or his associate(s) as bare trustee or custodian trustee and in which he/they has no beneficial interest, any shares comprised in a trust in which the Director's or associate's interest is in reversion or remainder if and so long as some other person is entitled to receive the income thereof, and any shares comprised in an authorised unit trust scheme in which the Director or associate(s) is interested only as a unit holder.

(J) Where a company in which a Director or his associate(s) holds 5 per cent. or more is materially interested in a transaction, then that Director shall also be deemed materially interested in such transaction.

(K) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director or his associate(s) (other than the chairman of the meeting) or as to the entitlement of any Director (other than such chairman) to vote or be counted in the quorum and such question is not resolved by his voluntarily agreeing to abstain from voting or not to be counted in the quorum, such question shall be referred to the chairman of the meeting and his ruling in relation to such other Director shall be final and conclusive except in case where the nature or extent of the interest of the Director concerned and of his associate(s) as known to such Director has not been fairly disclosed to the Board. If any question as aforesaid shall arise in respect of the chairman of the meeting such question shall be decided by a resolution of the Board (for which purpose such chairman shall be counted in the quorum but shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such chairman and of his associate(s) as known to such chairman has not been fairly disclosed to the Board.

POWERS AND DUTIES OF THE BOARD

86. The business of the Company shall be managed by the Board, which may pay all expenses incurred in forming and registering the Company and may exercise all powers of the Company (whether relating to the management of the business of the Company or otherwise) which are not by the Ordinance or by these Articles required to be exercised by the Company in general meeting, subject nevertheless to the provisions of the Ordinance and of these Articles and to such regulations, being not inconsistent with such provisions, as may be prescribed by the Company in general meeting, but no regulations made by the Company in general meeting shall invalidate any prior act of the Board which would have been valid if such regulations had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Board by any other Article.

87. The Board may by power of attorney appoint any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Board, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Articles) and for such period and subject to such conditions as it may think fit, and any such power of attorney may contain such provisions for the protection and convenience of

persons dealing with any such attorney as the Board may think fit, and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him.

88. The Board may entrust to and confer upon any Director any of the powers exercisable by it upon such terms and conditions and with such restrictions as it thinks fit, and either collaterally with, or to the exclusion of, its own powers, and may from time to time revoke or vary all or any of such powers but no person dealing in good faith and without notice of such revocation or variation shall be affected thereby.

89. The Company may exercise all the powers conferred by the Ordinance with regard to having official seals, and such powers shall be vested in the Board.

90. Subject to the provisions of the Ordinance, the Company may keep an overseas or local or other register in any place, and the Board may make and vary such regulations as it may think fit respecting the keeping of any such register.

91. All cheques, promissory notes, drafts, bills of exchange and other instruments, whether negotiable or transferable or not, and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Board shall from time to time by resolution determine.

92. The Board shall cause minutes or records to be made in books provided for the purpose:-

- (a) of all appointment of officers made by the Board;
- (b) of the names of the Directors present at each meeting of the Board or committee of the Board; and
- (c) of all resolutions and proceedings at all meetings of the Company and of the holders of any class of shares in the Company and of the Board and of any committee of the Board.

93. The Board on behalf of the Company may exercise all the powers of the Company to grant pensions, annuities or other allowances and benefits in favour of any person including any Director or former Director or the relations, connections or dependants of any Director or former Director provided that no pension, annuity or other allowance or benefit (except such as may be provided for by any other Article) shall be granted to a Director or former Director who has not been an Executive Director or held any other office or place of profit under the Company or any of its subsidiaries or to a person who has no claim on the Company except as a relation, connection or dependant of a Director or former Director without the approval of an ordinary resolution of the Company. A Director or former Director shall not be accountable to the Company or the Members for any benefit of any kind conferred under or pursuant to this Article and the receipt of any such benefit shall not disqualify any person from being or becoming a Director of the Company.

PROCEEDINGS OF THE BOARD

94. The Board may meet for the despatch of business, adjourn and otherwise regulate its meetings as it thinks fit. Questions arising at any meeting shall be determined by

a majority of votes. In the case of any equality of votes the chairman of the meeting shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a Board meeting.

95. Notice of a Board meeting, or of a meeting of a committee established pursuant to Article 100, shall be deemed to be duly given to a Director or committee member (as the case may be) if it is given to him personally or by word of mouth or sent in writing to him by ordinary post, facsimile or electronic means at the address or facsimile number or email address (whichever is applicable) given by him to the Company for this purpose. For a Director or committee member absent or intending to be absent from Hong Kong, notice of a Board meeting or committee meeting (as the case may be) shall, during his absence, be sent by word of mouth or sent in writing by ordinary post, facsimile or electronic means to the address or facsimile number or email address (whichever is applicable) given by him to the Company for this purpose, but such notices need not be given any earlier than notices given to Directors or committee members not so absent. A Director or committee member may waive notice of any meeting either prospectively or retrospectively.

96. The quorum necessary for the transaction of the business of the Board may be fixed by the Board, and unless so fixed at any other number, shall be two Directors. For the purposes of this Article, and subject to compliance with any requirements of law or the Listing Rules or the rules and/or regulations of any other applicable regulatory body of competent jurisdiction, the number fixed by the Board, or the two (as the case may be), must include Managing Director and/or Deputy Managing Director. Any Director who ceases to be a Director at a Board meeting may continue to be present and to act as a Director and be counted in the quorum until the termination of the Board meeting if no other Director objects and if otherwise a quorum of Directors would not be present.

97. The continuing Directors or a sole continuing Director may act notwithstanding any vacancy in the Board but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Articles, the continuing Directors or Director, notwithstanding that the number of Directors is below the number fixed by or in accordance with these Articles as the quorum or that there is only one continuing Director, may act for the purpose of filling vacancies in the Board or of summoning general meetings of the Company but not for any other purpose.

98. The Board may elect a Chairman and one or more Deputy Chairmen of its meetings and determine the period for which they are respectively to hold such office. If no such Chairman or Deputy Chairman is elected, or if at any meeting neither the Chairman nor any Deputy Chairman is present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.

99. A meeting of the Board at which a quorum is present shall be competent to exercise all the powers, authorities and discretions for the time being vested in or exercisable by the Board.

100. The Board may, by resolution, delegate any of its power, authorities and discretions (with power to sub-delegate) for such time and on such terms and subject to such conditions as it thinks fit to any committee consisting of one or more Directors and (if thought fit) one or more other persons, provided that, subject to compliance with any requirements of law or the Listing Rules or the rules and/or regulations of any other applicable regulatory body of competent jurisdiction:-

- (a) Managing Director and/or Deputy Managing Director must be a member of any such committee; and
- (b) the quorum necessary for the transaction of the business of any such committee shall be a majority of the Directors appointed to such committee and Managing Director and/or Deputy Managing Director appointed thereto.

The scope of the relevant committees' powers, authorities and discretions shall be limited to those set out in the relevant Board resolution constituting such committee, as from time to time varied or superseded by any relevant further Board resolution, and the Board shall be entitled at any time, and from time to time, to revoke, withdraw, alter or vary any of such powers, authorities and discretions and discharge any such committee in whole or in part. Any committee so formed shall, in exercise of the powers, authorities and discretions so delegated, conform to any regulations which may be imposed on it by the Board.

101. The meetings and proceedings of any committee consisting of two or more members shall be governed by the provisions contained in these Articles for regulating the meetings and proceedings of the Board so far as the same are applicable and are not superseded by any regulations imposed by the Board under the last preceding Article.

102. A resolution in writing signed by all the Directors for the time being entitled to receive notice of a meeting of the Board (provided that number is sufficient to constitute a quorum) or by all the members of a committee for the time being shall be as valid and effectual as a resolution passed at a meeting of the Board or, as the case may be, of such committee duly called and constituted. Such resolution may be contained in one document or in several documents in like form each signed by one or more of the Directors or members of the committee concerned.

103. All acts done by the Board or by any committee or by any person acting as a Director or member of a committee, shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any member of the Board or such committee or person acting as aforesaid or that they or any of them were disqualified or had vacated office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director or member of such committee.

103A. Any Director or his alternate may validly participate in a meeting of the Board or a committee of the Board through the medium of conference telephone or similar form of communication equipment, provided that all persons participating in the meeting are able to hear and speak to each other throughout such meeting. A person so participating shall be deemed to be present in person at the meeting and shall accordingly be counted in a quorum and be entitled to vote. Such a meeting shall be deemed to take place where the largest group of those participating is assembled or, if there is no group which is larger than any other group, where the Chairman of the meeting then is.

SECRETARY

104. The Secretary shall be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit; and any Secretary so appointed may be removed by the Board.

105. A provision of the Ordinance or these Articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in place of, the Secretary.

SEALS

106. (A) The Directors shall provide for the safe custody of the Seal. The Seal shall not be affixed to any instrument except by the authority of a resolution of the Board and (except as hereinafter provided) two Directors or one Director and the Secretary or such other person or persons as the Board may from time to time by resolution appoint for the purpose shall sign every instrument to which the Seal is so affixed.

(B) Every certificate of shares, stock, debentures or debenture stock of the Company shall be issued under the Seal or a Securities Seal provided that, with the authority of a resolution of the Board, any such certificate may be issued under the Seal or a Securities Seal but without such signatures or with such signatures made or affixed by means of some mechanical method or system.

(C) The Company may exercise the powers conferred by the Ordinance with regard to having an official seal for use abroad, and such powers shall be vested in the Directors.

DIVIDENDS

107. Subject to the Ordinance and as hereinafter set out, the Company in general meeting may from time to time declare dividends to be paid to the shareholders according to their rights in the profits available for distribution, but no dividend shall be declared in excess of the amount recommended by the Board. Surpluses arising from the revaluation of investments shall not be available for dividend.

108. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:-

- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for this purpose as paid-up on the share; and
- (b) All dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividends are paid.

109. The Board may from time to time pay to the shareholders such interim dividends as appear to the Board to be justified by the position of the Company; the Board may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such position, in the opinion of the Board, justifies such payment. If the share capital is divided into different classes, the Board may pay interim dividends on shares which confer deferred or non-preferred rights with regard to dividend as well as on shares which confer preferential rights with regard to dividend, but no interim dividend shall be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear. Provided the Directors act in good faith, they

shall not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

110. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise in respect of shares of the Company.

111. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.

112. (A) In respect of any dividend proposed to be paid or declared by the Board or by the Company in general meeting, the Board may propose and announce prior to or contemporaneously with the payment or declaration of such dividend:-

- (i) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up provided that Members entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:-
 - (a) the basis of any such allotment shall be determined by the Board;
 - (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the holders of the shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
 - (d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof in cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of any of the Company's reserve accounts (including any share premium account or capital redemption reserve fund) or profit and loss account or amounts otherwise available for distribution as the Board may determine such sum as may be required to pay up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or
- (ii) that Members entitled to such dividend be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following

provisions shall apply:-

- (a) the basis of any such allotment shall be determined by the Board;
- (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the holders of the shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded;
- (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of any of the Company's reserve accounts (including share premium account and capital redemption reserve fund) or profit and loss account or amounts otherwise available for distribution as the Board may determine such sum as may be required to pay up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

(B) The shares allotted pursuant to the provisions of paragraph (A) of this Article shall rank *pari passu* in all respects with the shares then in issue save only as regards participation:-

- (i) in the relevant dividend (or the right to receive or to elect to receive an allotment of shares in lieu thereof as aforesaid); or
- (ii) in any other distribution, bonus or right paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) and (ii) of paragraph (A) of this Article in relation to the relevant dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (A) of this Article shall rank for participation in such distribution, bonus or rights.

(C) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of the Article with full power to the Board to make such provisions as it thinks fit in the ease of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those

entitled or are disregarded or rounded up or down, or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into, on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

113. Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.

UNCLAIMED DIVIDENDS

114. Any dividend unclaimed after a period of twelve years from the date of declaration of such dividend shall be forfeited and shall revert to the Company and the payment by the Board of any unclaimed dividend, interest or other sum payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

115. Any general meeting declaring a dividend may by ordinary resolution, upon the recommendation of the Board, direct payment or satisfaction of such dividend wholly or in part by the distribution of specific assets, and in particular of paid up shares or debentures of any other company, and the Board shall give effect to such direction, and where any difficulty arises in regard to such distribution the Board may settle it as it thinks expedient, and in particular may issue fractional certificates or authorise any person to sell and transfer any fractions or may ignore fractions altogether, and may fix the value for distribution purposes of any such specific assets and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to secure equality of distribution and may vest any such specific assets in trustees as may seem expedient to the Board.

RESERVES

116. The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks proper as reserves which shall, at the discretion of the Board, be applicable for any purpose for which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION OF PROFITS

117. The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in payment up in full of unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and a capital redemption reserve, and any reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.

118. Where any difficulty arises in regard to any distribution under the last preceding Article the Board may settle the same as it thinks expedient and in particular may issue fractional certificates or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

RECORD DATES

119. Notwithstanding any other provision of these Articles the Company or the Board may fix any date as the record date for any dividend, distribution, allotment or issue and such record date may be on or at any time before or after any date on which such dividend, distribution, allotment or issue is declared, paid or made.

ACCOUNTING RECORDS

120. The Board shall cause to be kept accounting records sufficient to give a true and fair view of the state of the Company's affairs and to show and explain its transactions, in accordance with the Ordinance.

121. The accounting records shall be kept at the Office or, subject to the Ordinance, at such other place or places as the Board may think fit and shall always be open to inspection by the officers of the Company. No Member (other than an officer of the Company) shall have any right of inspecting any accounting record or book or document of the Company except as conferred by law or authorised by the Board.

122. A copy of every balance sheet and profit and loss account, including every document required by law to be annexed thereto, which is to be laid before the Company in general meeting, together with a copy of the auditors' report, shall be sent to each person entitled thereto in accordance with the requirements of the Companies Ordinance, and copies shall also be sent in appropriate numbers to The Stock Exchange of Hong Kong

Limited in accordance with the terms of any listing agreement for the time being binding on the Company or with the continuing obligations binding on the Company by virtue of any listing.

AUDIT

123. Auditors shall be appointed and their duties regulated in accordance with the Ordinance.

125. All notices required to be given to the members shall, with respect to any share to which persons are jointly entitled, be given to whichever of such persons is named first in the Register of Members in respect of the joint holding and notice so given shall be sufficient notice to all the joint holders.

126. Any notice or other document, if served by post, shall be deemed to have been served at the time when the envelope containing the same is put into a post office situated within Hong Kong; in proving such service it shall be sufficient to prove that the letter containing the notice or document was properly addressed and put into such post office and a certificate in writing signed by the Secretary or other officer of the Company that the envelope containing the notice was so addressed and put into the post office shall be conclusive evidence thereof.

127. Any notice required to be or which may be given by advertisement shall be advertised in at least one leading Hong Kong English language daily newspaper and one leading Hong Kong Chinese language daily newspaper and for such period as the Directors may think fit and shall be deemed to have been served on the day on which the advertisement first so appears.

128. Any notice or document delivered or sent by post to, or left at, the registered address of any member shall, if such member be then deceased, and whether or not the Company has notice of his death, be deemed to have been duly served on his legal personal representative.

129. Every person who, by operation of law, transfer, transmission, or other means whatsoever, shall become entitled to any share, shall be bound by every notice in respect of such share, which, previously to his name and address being entered in the Register of Members as the registered holder of such share, shall have been duly given to the person from whom he derives the title to such share.

130. The Company may destroy:-

(a) any share certificate which has been cancelled at any time after the expiry of

Provided always that:-

- (i) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;
- (ii) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- (iii) references in this Article to the destruction of any document include references to its disposal in any manner.

WINDING UP

131. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as the liquidator, with the like sanction, shall think fit, but so that no Member shall be compelled to accept any shares or other assets upon which there is any liability.
