This Appendix serves as an explanatory statement, as required by the Share Buyback Rules, to provide you with requisite information for your consideration of the Repurchase Mandate and also constitutes the Memorandum required under section 238 to section 241 of the Companies Ordinance.

SHARE BUYBACK RULES

The Share Buyback Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange or on any other stock exchange on which the shares of the companies may be listed and recognised by the Securities and Futures Commission and the Stock Exchange for this purpose subject to certain restrictions, the most important of which are summarised below:

- (a) the shares proposed to be purchased by the company are fully paid-up;
- (b) the company has previously sent to its shareholders an explanatory statement complying with the Share Buyback Rules; and
- (c) the shareholders of the company have given a specific approval or a general mandate to the directors of the company to make such purchase(s), by way of an ordinary resolution which complies with the Share Buyback Rules and which has been passed at a general meeting of the company duly convened and held.

SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares of the Company in issue comprised 2,416,919,918 Shares, all of which are fully paid-up.

Subject to the passing of the Ordinary Resolution as referred to in item 7 of the notice of AGM and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 241,691,991 Shares which are fully paid-up.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from Shareholders to enable the Company to repurchase the Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Articles, the Listing Rules, the Companies Ordinance and other applicable laws. The Companies Ordinance provides that the amount of capital repaid in connection with a share repurchase may only be paid from the distributable profits of the company or from the proceeds of a new issue of shares made for the purpose.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on terms favourable to the Company. On the basis of the consolidated financial position of the Company as at 31 December 2018, being the date to which the latest published audited accounts of the Company were made up, the Directors do not consider that if the Repurchase Mandate were to be exercised in full at the currently prevailing market value, it might have a material adverse impact on the working capital position and gearing position of the Company. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company as compared with the position disclosed in the latest published audited financial statements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

The following table shows the highest and lowest prices at which the Shares have traded on the Stock Exchange during the previous twelve months:

GENERAL

No Directors, nor any of their associates, to the best of their knowledge and having made all reasonable enquiries, has any present intention, in the event that the proposal is approved by the Shareholders, to sell Shares to the Company or its subsidiaries.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.

No connected person has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so in the event that the Company is authorised to make purchases of the Shares.

If, as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase would be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a shareholder, or group of shareholders acting in concert, depending on the level of increase of the shareholders' interest, could obtain or consolidate control of the Company, shall become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the controlling shareholder of the Company, PIL and its concerting parties held approximately 42.90% of the total number of Shares in issue. In the event that the Repurchase Mandate is exercised in full, the shareholding in the Company held by PIL and its concerting parties may be increased to approximately 47.67% of the total number of Shares in issue. The Directors believe that such an increase would give rise to an obligation of PIL to make a mandatory offer under the Takeovers Code. The Directors have no intention to repurchase Shares to such an extent which will result in PIL to make a mandatory offer under the Takeovers Code.

Save as disclosed above, the Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

The Directors will exercise the powers conferred by the Repurchase Mandate to repurchase Shares in circumstances which they deem appropriate for the benefits of the Company and the Shareholders. Accordingly, the Directors recommend Shareholders to vote in favour of all the relevant resolutions to be proposed at the AGM.
