### **PROFIT WARNING**

This announcement is made by the Company pursuant to Rule 17.10(2) of the GEM Listing Rules and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the SFO.

The Board wishes to inform its Shareholders and potential investors that based on the unaudited consolidated management accounts of the Group for the financial year ended 31 December 2018 and the information currently available, it is expected that the Group will record a net loss of not less than HK\$122,000,000 for the financial year ended 31 December 2018 as compared to the net loss of approximately HK\$97,111,000 recorded in the financial year ended 31 December 2017.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**

This announcement is made by SuperRobotics Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2) of the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (the “**SFO**”).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and its potential investors that, based on the unaudited consolidated management accounts of the Group for the financial year ended 31 December 2018 and the information currently available, it is expected that the Group will record a net loss of not less than HK\$122,000,000 for the financial year ended 31 December 2018 as compared to the net loss of approximately HK\$97,111,000 recorded in the financial year ended 31 December 2017.

The increase in loss is mainly due to (i) decrease in gross profit generated from operation; (ii) increase in administrative expense (excluding amortization of equity-settled share-based payments) attributable to research and development expense, rental expense and staff costs; and (iii) increase in sales and marketing expense.

The Company is still in the process of finalising the Group's consolidated results for the financial year ended 31 December 2018. The information contained in this announcement is based on the preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the financial year ended 31 December 2018 and the information currently available to the Group, and is not based on any figures or information which have been audited or reviewed by the auditor or the audit committee of the Company. Shareholders and potential investors of the Company are advised to read carefully the annual results announcement of the Company for the financial year ended 31 December 2018, which is expected to be published in late-March 2019.
