CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATES TO ISSUE AND TO REPURCHASE SHARES

At the annual general meeting of the Company held on 8 November 2013, an ordinary resolution was passed by the Shareholders granting the general mandates to the Directors to issue and repurchase Shares. The refreshed general mandates will lapse at (i) the conclusion of the AGM; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Bye-laws to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first. Resolutions will therefore be proposed at the AGM to renew the grant of these general mandates.

An ordinary resolution will be proposed at the AGM in relation to the granting of a general and unconditional Issue Mandate to the Directors to exercise the power of the Company, to allot, issue and deal with, new Shares for not exceeding 20% of the aggregate nominal amount of the issued Shares as at the date of passing the resolution (as adjusted in accordance with the resolution), for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Bye-laws to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first.

As at the Latest Practicable Date, the Company has 74,803,000 Shares in issue. Subject to the passing of the resolutions for the approval of the Issue Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Issue Mandate to allot, issue and deal with, a maximum of 14,960,600 Shares.

An ordinary resolution will be proposed at the AGM in relation to the granting of a general and unconditional Repurchase Mandate to the Directors to exercise all powers of the Company to repurchase Shares on GEM or on any other stock exchange on which the Shares may be listed, Shares up to 10% of the aggregate nominal amount of the issued Shares as at the date of passing the resolution, for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Bye-laws to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first. The GEM Listing Rules contain provision to regulate the repurchase by companies with a primary listing on the GEM of their own shares. In accordance with Rule 13.08 of the GEM Listing Rules, this circular contains an explanatory statement as set out in Appendix I to provide the Shareholders with the requisite information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the

LETTER FROM THE BOARD

Repurchase Mandate. For the purpose of this circular, the term “Shares” shall have the meaning ascribed thereto under the Takeovers Code which means Share of all classes and securities which carry a right to subscribe to purchase Shares.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 7,480,300 Shares.

An ordinary resolution will also be proposed at the AGM in relation to the extension of the general mandate to be granted to the Directors to allot, issue, and deal with, new Shares under the Issue Mandate by adding to it the number of shares of the Company repurchased under the Repurchase Mandate, if any. The Directors have no present intention to fully exercise the Issue Mandate or the Repurchase Mandate for issuing and repurchasing the Shares respectively.

The full text of these resolutions are set out as ordinary resolutions numbers 4 to 6 in the notice of AGM on pages 27 to 32 of this circular.

PROPOSED RE-ELECTION OF DIRECTORS

As at the Latest Practicable Date, the Board comprises four executive Directors, namely Mr. Yu Zhen Hua Johnny (Chairman and Managing Director), Mr. Wang Shangzhong, Mr. Lee Chan Wah and Mr. Chan Kin Wah Billy; and three independent non-executive Directors, namely Mr. Tam B Ray Billy, Mr. Chu Kin Wang Peleus and Mr. Tse Joseph.

In accordance with the Bye-laws, Mr. Chan Kin Wah Billy shall retire from office at the AGM, and in accordance with the Bye-laws, Mr. Yu Zhen Hua Johnny and Mr. Tse Joseph shall retire from office by rotation at the AGM. Being eligible, each of Mr. Chan Kin Wah Billy, Mr. Yu Zhen Hua Johnny and Mr. Tse Joseph will offer himself for re-election as executive Director or independent non-executive Director (as the case may be).

Further, pursuant to Rule 17.46A of the GEM Listing Rules, a listed issuer shall disclose the details required under Rule 17.50(2) of the GEM Listing Rules of any directors proposed to be re-elected or proposed new director in the notice or accompanying circular to its shareholders of the relevant general meeting, if such re-election and appointment is subject to shareholders' approval at that relevant general meeting. The requisite details of the above three retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix II to this circular.

PROPOSED ADOPTION OF THE NEW SHARE OPTION SCHEME

The 2002 Share Option Scheme

Pursuant to an ordinary resolution passed by the sole Shareholder on 30 January 2002, the Company had adopted the 2002 Share Option Scheme, pursuant to which the Board was authorised to grant Options to the Eligible Participants.

LETTER FROM THE BOARD

Under the terms of the 2002 Share Option Scheme, it shall be valid and effective, in relation to granting Options, for the period of 10 years from 30 January 2002. Hence, the 2002 Share Option Scheme had expired on 29 January 2012 and no further Options can be granted pursuant to the 2002 Share Option Scheme. Notwithstanding the expiration of the 2002 Share Option Scheme, the provisions of the 2002 Share Option Scheme remain in force in all other respects of the outstanding Options granted thereunder.

It is proposed by the Directors that at the AGM, an ordinary resolution will be proposed for the Company to approve and adopt the New Share Option Scheme, which will take effect on the date of its adoption at the AGM subject to the Stock Exchange granting approval for the listing of, and permission to deal in, the Shares fall to be allotted and issued upon the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme.

The Directors confirm that no further Options were granted under the 2002 Share Option Scheme since its expiry and no share options under the 2002 Share Option Scheme are currently outstanding.

As at the Latest Practicable Date and save for the 2002 Share Option Scheme and the proposed New Share Option Scheme, the Company had not adopted any other share option schemes.

The New Share Option Scheme

As the 2002 Share Option Scheme has expired on 29 January 2012, an ordinary resolution will be proposed at the AGM to approve the adoption of the New Share Option Scheme.

The Directors consider that the adoption of the New Share Option Scheme is in the interest of the Company and the Shareholders as a whole because it enables the Company to reward and provide incentives to, and strengthen the Group's business relationship with, the Eligible Participants who may contribute to the growth and development of the Group.

Set out in the Appendix III to this circular are the principal terms of the New Share Option Scheme. The rules of the New Share Option Scheme proposed to be adopted by the Company at the AGM will be available for inspection at the principal place of business in Hong Kong at Unit 3811, 38/F., Shun Tak Centre, West Tower,, 168-200 Connaught Road Central, Hong Kong during normal business hours from the Latest Practicable Date up to and including the date of AGM.

The number of Shares which may be allotted and issued upon exercise of all outstanding Options granted under the New Share Option Scheme and any other share option schemes of the Company (including the 2002 Share Option Scheme) must not in aggregate exceed 10% of the total Shares in issue on the date of approval of the New Share Option Scheme by the Shareholders at the AGM (the “**Scheme Mandate Limit**”) unless the Company obtains a fresh approval from Shareholders to renew the Scheme Mandate Limit on the basis that the maximum number of Shares in respect of which any Options outstanding and yet to be exercised under the New Share Option Scheme and any other

LETTER FROM THE BOARD

schemes shall not exceed 30% of the issued share capital of the Company from time to time. Further, no Options will be granted would result in the maximum aggregate number of Shares which may be issued upon exercise of all outstanding Options granted but yet to be exercised under the New Share Option Scheme, the existing Options granted under the 2002 Share Option Scheme and any other share option schemes adopted by the Company which provide for the grant of Options to acquire or subscribe for Shares exceeding, in aggregate, 30% of the issued share capital of the Company from time to time. As at the Latest Practicable Date, there were no other outstanding Options to subscribe for Shares.

As at the Latest Practicable Date, there were 74,803,000 Shares in issue and assuming that, prior to the AGM, no Shares are issued or repurchased by the Company, the Scheme Mandate Limit will be 7,480,300 Shares.

The terms of the New Share Option Scheme provide that in granting Options under the New Share Option Scheme, the Board may offer to grant any Options subject to such terms and conditions in relation to the minimum period of the Options to be held and/or the performance criteria to be satisfied before such Options can be exercised and/or any other terms as the Board may determine in its absolute discretion. The Board will also have the discretion in determining the Subscription Price in respect of any Option, provided that the relevant requirements in the GEM Listing Rules are complied with.

The Directors are of the view that the flexibility given to the Directors to impose or not imposing the minimum period for which the Options have to be held and performance targets and other conditions that have to be achieved before the Options can be exercised, will place the Group in a better position to attract human resources that are valuable to the growth and development of the Group as a whole.

None of the Directors is a trustee of the New Share Option Scheme nor has a direct or indirect interest in the trustee. With respect to the operation of the New Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 23 of the GEM Listing Rules and the terms of the New Share Option Scheme are essentially same as the 2002 Share Option Scheme.

To the best knowledge of the Directors, as at the Latest Practicable Date, no Shareholders have a material interest in the New Share Option Scheme different to that of any other Shareholders and accordingly, no Shareholders will have to abstain from voting at the AGM on the resolution approving the adoption of the New Share Option Scheme.

Conditions of the adoption of the New Share Option Scheme

The adoption of the New Share Option Scheme is conditional upon (i) the GEM Listing Committee of the Stock Exchange granting the listing of and permission to deal in any Shares which may fall to be issued by the Company pursuant to the exercise of Options in accordance with the terms and conditions of the New Share Option Scheme; and (ii) the passing of the resolution at the AGM to approve and adopt the New Share Option Scheme.

LETTER FROM THE BOARD

Application for listing

Application will be made to the GEM Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares, representing 10% of the issued share capital of the Company as at the date of the AGM which may fall to be allotted and issued upon the exercise of Options to be granted under the New Share Option Scheme.

Values of all options that can be granted under the New Share Option Scheme

Eligible Participants to whom Options shall be granted, are entitled to subscribe for the number of Shares at a subscription price specified in each Option granted under the New Share Option Scheme. The Directors consider that it is not appropriate to state the value of all the Options that can be granted pursuant to the New Share Option Scheme as if they had been granted at the Latest Practicable Date, because the calculation of the value of the options is based on a number of variables which are crucial for the calculation such as subscription price, exercise period, interest rate, expected volatility and other relevant variables. As Options have not been granted under the New Share Option Scheme, certain variables are not available for calculating the value of the options. The Directors believe that any calculation of the value of the options as if they had been granted at the Latest Practicable Date based on a large number of speculative assumptions would not be meaningful and would be misleading to the Shareholders.

AGM

A notice convening the AGM to be held at 3/F., Woo Sing Kee Industrial Building, 138 Wai Yip Street, Kwun Tong, Kowloon, Hong Kong on Friday, 7 November 2014 at 11:30 a.m. is set out on pages 27 to 32 of this circular.

All the resolutions proposed to be approved at the AGM will be taken by poll in accordance with the GEM Listing Rules and an announcement will be made by the Company after the AGM on the results of the AGM.

RESPONSIBILITY STATEMENT

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the

LETTER FROM THE BOARD

information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that the proposed resolutions set out in the notice of AGM are all in the best interests of the Company and the Shareholders as a whole and therefore recommend you to vote in favour of all of the resolutions to be proposed at the AGM.

GENERAL

To the best of the Director's knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

To the best knowledge of the Directors, as at the Latest Practicable Date, none of the Directors or their respective associates had any interests in a business, which competes or is likely to compete either directly or indirectly with the business of the Group, and none of the Directors or their respective close associates had or might have any other conflicts of interest with the Group which would be required to be disclosed under Rule 11.04 of the GEM Listing Rules, as if the Directors were controlling Shareholders.

Yours faithfully,
For and on behalf of the Board
EDS Wellness Holdings Limited
Yu Zhen Hua Johnny
Chairman

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

1. REPURCHASE OF SECURITIES FROM CONNECTED PARTIES

The GEM Listing Rules prohibit the Company from knowingly purchasing its securities on the Stock Exchange from a “connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective associates (as defined in the GEM Listing Rules) and a connected person is prohibited from knowingly selling to the Company his/her/its securities of the Company.

No connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is passed.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 74,803,000 fully paid Shares.

Subject to the passing of the proposed resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 7,480,300 fully paid Shares, representing 10% of the issued share capital of the Company as at the date of passing of the resolution.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and its Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases would be funded entirely from the Company’s available cash flow or working capital facilities which will be funds legally available for the purpose of making the proposed repurchases in accordance with the memorandum of continuance and Bye-laws of the Company and the laws of Bermuda.

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital and gearing position of the Company compared with those as at 30 June 2014, being the date of its latest published audited consolidated accounts. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

5. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.

6. SHARE PRICES

The highest and lowest prices at which the Shares were traded on GEM during each of the previous twelve months before the Latest Practicable Date were as follows:

	Price per Share

November	Suspended	Suspended
December	Suspended	Suspended

September	4.260	3.800
October (up to the Latest Practicable Date)	3.850	3.850

7. DISCLOSURE OF INTERESTS AND MINIMUM PUBLIC HOLDING

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the AGM.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and applicable laws of Bermuda.

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholders are interested in more than 10% of the Shares then in issue:

Name	Number of Shares	Approximately percentage of the issued share capital of the Company
New Cove Limited (<i>Note</i>)	52,500,000	70.18%

Note:

New Cove Limited is an indirect wholly-owned subsidiary of Eternity Investment Limited.

In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate, the total interests of the above Shareholders in the Shares would be increased to:

Name	Percentage holding
New Cove Limited	77.98%

In the event that the Directors should exercise the Repurchase Mandate in full, the shareholding interests of New Cove Limited in the Company will be increased to approximately 77.98% of the issued share capital of the Company and such increase would be treated as an acquisition for the purpose of the Takeovers Code and give rise to an obligation to make a mandatory general offer under the Takeovers Code.

At as the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of the above Shareholders, or any other persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

8. SHARE PURCHASE MADE BY THE COMPANY

No purchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

Details of the Directors who will retire from office at the AGM and being eligible, will offer themselves for re-election at the AGM, are set out below:
