This announcement is made by Texwinca Holdings Limited (the “**Company**”, together with its subsidiaries collectively known as the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

** For identification purpose only*

Based on the information currently available, the Board considers that the drop in consolidated profit attributable to ordinary equity holders of the Company was primarily due to, including but not limited to, the following reasons:

- Owing to the outbreak of the coronavirus disease 2019 (COVID-19) in Mainland China, the retail and the textile production operation of the Group in Mainland China were temporarily affected by the various emergency measures implemented by the Chinese government to contain the spread of the coronavirus; and
- The global outbreak of the coronavirus reduced the worldwide market demand for textile products and delayed the shipment to customers in the United States and other Asian countries.

The Company is still in the course of preparing and finalising its annual results for the year ended 31 March 2020. The information contained in this announcement is only based on a preliminary assessment of the information currently available and the consolidated management accounts of the Group, which have neither been audited nor reviewed by the Company's auditors. The annual results of the Group for the year ended 31 March 2020 are expected to be announced in mid June 2020.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
