SUMMARY

On 19 November 2009, the Group entered into the Insurance Arrangements with SHKI, a wholly-owned subsidiary of SHKP, pursuant to which SHKI will provide insurance coverage and services to the Group. The insurance policies entered into pursuant to the Insurance Arrangements will commence on 1 January 2010 and will last for one year from the effective date of the policies.

As at the date of this announcement, SHKP is a substantial shareholder holding approximately 33% interest in the Company. Since SHKI is a wholly-owned subsidiary of SHKP, SHKI is an associate of SHKP and thus a connected person of the Company under the Listing Rules. The transactions contemplated under the Insurance Arrangements therefore constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules. In respect of the annual insurance premium payable under the Insurance Arrangements, as each of the applicable percentage ratios calculated pursuant to Rule 14.07 of the Listing Rules is on an annual basis less than 2.5%, under Rule 14A.34 of the Listing Rules, the transactions contemplated under the Insurance Arrangements are only subject to the annual review requirements as set out in Rules 14A.37 to 14A.40 of the Listing Rules, and the reporting and announcement requirements as set out in Rules 14A.45 and 14A.47 of the Listing Rules and are exempt from the independent shareholders' approval requirement.

Details of the Insurance Arrangements will be included in the Company's next annual report in accordance with Rule 14A.45 of the Listing Rules.

DETAILS OF THE INSURANCE ARRANGEMENTS

1. Background and description of the Insurance Arrangements

On 27 November 2008, the Group entered into various insurance policies with SHKI as insurer. Transactions under such insurance policies constituted continuing connected transactions of the Company, and details of such transactions as well as the estimated annual insurance premium payable by the Group for the year ending 31 December 2009 were disclosed in an announcement of the Company dated 27 November 2008.

On 19 November 2009, the Group entered into various insurance policies of similar nature with SHKI as insurer pursuant to which the Group will maintain insurance coverage with SHKI, and such insurance policies will take effect on 1 January 2010. The types of insurance covered or to be covered include motor vehicles (including third party and passengers' liability), commercial vehicles, private vehicles, motor trade, money, employees' compensation, fidelity guarantee, public liability, marine cargo, fire insurance, etc. The insurance policies will last for one year from the effective date of the policies. The payments of premium under the insurance policies are usually made either in one installment immediately after the relevant policy is entered into; or in two installments, with the first one being made at the beginning of the term of the relevant policy and the second one being made in the middle of such term.

2. Historical amounts and the proposed cap for the continuing connected transactions

The annual insurance premium paid by the Group to SHKI for the two years ended 31 December 2007 and 31 December 2008 were HK\$65,029,000 and HK\$67,385,000 respectively as disclosed in the annual reports of the Company, and it is estimated that the annual insurance premium paid and payable by the Group to SHKI for the financial year ending 31 December 2009 will amount to approximately HK\$67,700,000.

In respect of the annual insurance premium payable by the Group under the Insurance Arrangements, it is estimated that such annual insurance premium payable by the Group to SHKI for the year ending 31 December 2010 shall not exceed HK\$72,000,000. Such annual cap is determined mainly based on the estimated growth of business of the Group, the estimated number of motor vehicles on which business of the Group will be conducted, the estimated number of staff employed, the estimated value of fixed assets for which insurance coverage will be required and the insurance premium rates as specified under the Insurance Arrangements. The terms and conditions of insurance policies maintained by the Group with SHKI as insurer shall be no less favourable to the Group than those offered by third parties insurers in respect of similar type of risk insured if such comparison is available; or shall be

comparable to the terms and conditions of the insurance policies maintained by other third parties with SHKI as insurer in respect of similar type of risk insured. The annual insurance premium payable by the Group under the Insurance Arrangements will be satisfied by internal resources.

REASONS FOR AND BENEFITS OF THE ENTERING INTO THE INSURANCE ARRANGEMENTS

The Group is principally engaged in the operation of both franchised and non-franchised public transportation, property holdings and development and the provision of media sales services in Hong Kong and Mainland China, while SHKI is engaged in the provision of insurance coverage and services. The Directors (including the independent non-executive Directors) consider that SHKI is familiar with the Group's operations and its experience in dealing with the Group will enhance the efficiency and effectiveness of the Insurance Arrangements. The policies under the Insurance Arrangements were awarded through tendering process. Since the terms offered by SHKI are the best available in such process, the insurance policies were awarded to SHKI. The Directors consider that due to the aforesaid reasons and on the basis that the Insurance Arrangements, which were arrived at after arm's length negotiations between the parties concerned, will be conducted on normal commercial terms and the insurance premiums payable by the Group will be on market rates, it is in the interest of the Group to rely on the expertise of SHKI in the area of provision of insurance coverage and services.

The Directors (including the independent non-executive Directors) consider that the entering into the Insurance Arrangements is in the ordinary and usual course of business of the Group and the terms of the Insurance Arrangements are on normal commercial terms which were arrived at after arm's length negotiations between the parties concerned. The insurance premiums payable by the Group pursuant to the Insurance Arrangements will be determined with reference to the prevailing market rates. The Directors (including the independent non-executive Directors) consider that the terms of the Insurance Arrangements are fair and reasonable and in the interests of the Group and the shareholders of the Company as a whole.
