Notes:

- In 2005, the Group has changed several of its accounting policies to comply with Hong Kong Financial Reporting Standards (“HKFRSs”) that are effective or available for early adoption for accounting periods beginning on or after 1 January 2005. Figures for 2004 to 2007 have been prepared based on the new and revised policies in accordance with the transitional provisions of HKFRSs. Earlier years have only been restated to the extent that the new accounting policies are adopted retrospectively.
- In order to comply with Hong Kong Statement of Standard Accounting Practice (“SSAP”) No. 34 “Employee benefits” (now superseded and replaced by Hong Kong Accounting Standard 19, “Employee benefits”) and SSAP 12 (revised) “Income taxes” (now superseded and replaced by Hong Kong Accounting Standard 12, “Income taxes”), the Group adopted new accounting policies for short-term employee benefits and deferred taxation in 2002. Figures for the year 2001 have been adjusted and it is not practicable to restate earlier years for comparison purposes.
