### **UPDATED INFORMATION ON THE GROUP'S PRODUCT- IMIPENEM AND CILASTATIN SODIUM FOR INJECTION**

This announcement is made by The United Laboratories International Holdings Limited (the "Company") on a voluntary basis.

The board of directors (the "Board") of the Company is pleased to announce that Imipenem and Cilastatin Sodium for Injection (Specification: 0.5g; 1.0g) submitted by Zhuhai United Laboratories Co. Ltd., a wholly-owned subsidiary of the Company, with the approval of China National Medical Products Administration, passed the consistency evaluation of quality and efficacy for generic drugs (the "Consistency Evaluation").

Imipenem and Cilastatin Sodium for Injection is a very broad-spectrum antibiotic. It is especially applicable to clinical treatment of mixed infections caused by multiple pathogens and aerobic/anaerobic bacteria, as well as early treatment before the pathogenic bacteria are identified. It is suitable for the treatment of infections caused by sensitive bacteria, such as intra-abdominal infections, lower respiratory tract infections, gynecological infections, sepsis, etc. Currently, imipenem-cilastatin is listed in Category B in the National Medical Insurance Drug List (2023 version).

The approval will further help the Company to consolidate the advantageous position in the anti-infection field. The Company will continue to commit itself to the research and development of new products and the promotion of the Consistency Evaluation, which is expected to create greater values for the Company and its shareholders.
