CHARATERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the Internet website operated by the Exchange. Listed companies are not generally required to issue paid announcements in Gazetted Newspapers. Accordingly, prospective investors should note that they need to have access to the GEM Website in order to obtain up-to-date information on GEM-listed issuers.

LETTER FROM THE BOARD

INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM to be held at 3:00 pm on Friday, 27th June, 2008 at L'hotel Causeway Bay Harbour View Hong Kong, 18 King's Road, Causeway Bay, Hong Kong, which, upon approval, would enable the Company to, among other things:

1. repurchase Shares not exceeding 10% of the aggregate nominal value of the Shares in issue as at the date of passing such resolution;
2. issue new Shares equivalent to 20% of the Shares in issue on the date of the relevant resolution and those Shares repurchased by the Company pursuant to the Repurchase Mandate set out in 1. above; and
3. re-elect certain Directors.

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the AGM, it will be proposed, by way of ordinary resolution, that the Directors be given a general mandate to 1. repurchase Shares, the aggregate nominal amount of which does not exceed 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the ordinary resolution; and 2. allot, issue and otherwise deal with Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company on the date of the passing of the ordinary resolution and the nominal amount of any Shares repurchased by the Company (up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the ordinary resolution). Any issue of new Shares is subject to approval from the Exchange for the listing of and permission to deal in such new Shares. Based on the issued ordinary share capital of the Company of 613,819,000 Shares as at the Latest Practicable Date, and on the basis that no further Shares are issued or repurchased prior to the AGM nor outstanding Options, if any, being exercised, the Company would be allowed under the general mandate to issue a maximum of 122,763,800 Shares.

An explanatory statement containing information relating to the Repurchase Mandate and as required pursuant to the GEM Listing Rules, in particular rule 13.08, is set out in Appendix I to this circular. This explanatory statement provides you with information to enable you to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate.

RE-ELECTION OF DIRECTORS

In accordance with the Bye-laws, Monica Maria Nunes and Wong Tsu An Patrick will retire at the AGM and, being eligible, will each offer oneself for re-election.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the proposals referred to in this circular (that is, the proposals for mandates to issue and repurchase Shares and the re-election of Directors) are in the best interests of the Company and the Members as a whole. Accordingly, the Directors recommend all Members to vote in favour of all the resolutions to be proposed at the AGM.

Yours faithfully,
On behalf of the Board
José Manuel dos Santos
Chairman

This is an explanatory statement given to all Members relating to a resolution to be proposed at the AGM authorising the Repurchase Mandate.

This explanatory statement contains information required pursuant to rule 13.08 of the GEM Listing Rules which are set out as follows:

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 613,819,000 Shares.

Subject to the passing of Resolution Number 2(b) at the AGM and on the basis that no further Shares are issued or repurchased prior to the AGM nor outstanding Options, if any, being exercised, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 61,381,900 Shares.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Members as a whole for the Directors to have a general authority from Members to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and Members as a whole. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and Members as a whole.

3. FUNDING OF REPURCHASES

Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with the memorandum of association of the Company and Bye-laws and the applicable laws of Bermuda. A listed company may not repurchase its own shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of GEM from time to time.

It is presently proposed that any repurchase of Shares would be made out of capital paid up on the repurchased Shares, funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of any premium payable on such repurchase, from funds of the Company otherwise available for dividend or distribution or from the share premium account of the Company. The repurchase of Shares will be conditional upon the fact that on the date the purchase is effected, there are no reasonable grounds for believing that the Company is, or after the purchase would be, unable to pay its liabilities as they become due.

4. STATUS OF REPURCHASED SHARES

The GEM Listing Rules provide that the listing of all repurchased Shares is automatically cancelled and that the certificates for those shares must be cancelled and destroyed. Under the laws of Bermuda, repurchased Shares shall be treated as cancelled and its issued share capital (but not the authorised share capital) will be reduced accordingly.

5. EFFECT OF EXERCISE OF THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements of the Company for the year ended 31st December, 2007) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. DISCLOSURE OF INTERESTS

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective Associates, have any present intention, if the Repurchase Mandate is exercised, to sell any Shares to the Company.

No Connected Person has notified the Company that he has a present intention to sell Shares to the Company if the Repurchase Mandate is exercised and neither has any of the Connected Persons undertaken not to sell his Shares to the Company in the event the Repurchase Mandate is exercised.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.

8. TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares, a Member's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Member, or a group of Members acting in concert, depending on the level of increase in the Member's interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, ERL held 293,388,000 Shares representing a total of 47.8% of the issued share capital of the Company. In the event the power to repurchase Shares pursuant to the Repurchase Mandate be exercised in full and assuming there is no change in the issued share capital of the Company and the present shareholding of ERL, the shareholding of ERL would increase to approximately 53.11% of the issued share capital of the Company.

On the basis of the shareholding held by ERL and based solely as a result of the exercise of the Repurchase Mandate in full, ERL may be obliged to make a mandatory offer under rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in any mandatory offer being made under the Takeovers Code.

9. SHARE PURCHASE MADE BY THE COMPANY

No repurchases of securities have been made by the Company in the previous six months, whether on GEM or otherwise.

10. SHARE PRICES

The highest and lowest prices of the Shares as quoted by GEM in each of the previous twelve months before the Latest Practicable Date were as follows:

	Shares

2007
