CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

To Members

Dear Sir or Madam,

**NOTICE
GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES
RE-ELECTION OF DIRECTORS
AND
CLOSURE OF REGISTER OF MEMBERS**

INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM to be held at 3:00 p.m. on Thursday, 22nd June 2017 at Hotel Okura Macau, Galaxy Macau™, COTAI, Macao, which, upon approval, would enable the Company to, among other things:

- 1 repurchase Shares not exceeding 10% of the aggregate nominal value of the Shares in issue as at the date of passing such resolution;

* For identification purpose only

LETTER FROM THE BOARD

- 2 allot and issue (a) new Shares equivalent to 20% of the Shares in issue as at the date of passing the relevant resolution and (b) those Shares repurchased by the Company pursuant to the Repurchase Mandate set out in paragraph 1 above; and
- 3 re-elect certain Directors.

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the AGM, it will be proposed, by way of ordinary resolutions, that the Directors be granted general mandates to:

- 1 repurchase Shares, the aggregate nominal amount of which shall not exceed 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the ordinary resolution; and
- 2 allot, issue and otherwise deal with (a) Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the ordinary resolution and (b) any Shares repurchased by the Company (up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the ordinary resolution).

Any issue of new Shares is subject to approval from the Exchange for the listing of and permission to deal in such new Shares. Based on the issued share capital of the Company of 614,435,000 Shares as at the Latest Practicable Date, and on the assumptions that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the general mandate to issue a maximum of 122,887,000 Shares.

As at the Latest Practicable Date, the GEM Listing Rules provide that, unless the Exchange agrees otherwise, in the event the general mandate to issue Shares is exercised and Shares are placed for cash consideration under the general mandate to issue Shares, the issue price of the Shares may not be at a price which represents a discount of 20% or more to the benchmarked price of the Shares, such benchmarked price being the higher of:

- 1 the closing price of the Shares as quoted on the Exchange on the date of the relevant placing agreement or other agreement involving the proposed issue of securities under the general mandate to issue Shares; and
- 2 the average closing price of the Shares as quoted on the Exchange in the five trading days immediately prior to the earlier of:
 - (a) the date of announcement of the placing or the proposed transaction or arrangement involving the proposed issue of Shares under the general mandate to issue Shares;

LETTER FROM THE BOARD

- (b) the date of the placing agreement or other agreement involving the proposed issue of Shares under the general mandate to issue Shares; and
- (c) the date on which the placing or subscription price is fixed.

In terms of price at which Shares may be issued at time of exercise of the general mandate to issue Shares, the Company will comply with the then prevailing requirements under the GEM Listing Rules.

An explanatory statement containing information relating to the Repurchase Mandate and as required pursuant to the GEM Listing Rules, in particular Rule 13.08, is set out in Appendix I to this circular. This explanatory statement provides you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate.

RE-ELECTION OF DIRECTORS

In accordance with the Bye-laws, Wong Tsu An Patrick will retire at the AGM and, being eligible, will offer himself for re-election.

Pursuant to Code A.4.3, any re-appointment of independent non-executive Directors who have served more than nine years shall be subject to a separate resolution to be approved by the Members. Wong Tsu An Patrick will have been an independent non-executive Director for more than nine years at the AGM. The Board believes that, despite his length of service, he remains independent as he has not held any executive or management positions in the Group throughout his appointment. He has also demonstrated his ability to provide an independent view to the matters of the Company. Notwithstanding his years of service as an independent non-executive Director, the Board is of the view that he is able to continue to fulfil his role as required and thus recommends him for re-election at the AGM. In this regard, a separate resolution will be put forward at the AGM to re-elect Wong Tsu An Patrick as an independent non-executive Director.

In addition, to comply with the Code, Monica Maria Nunes will also retire at the AGM and, being eligible, will offer herself for re-election.

Details about Monica Maria Nunes and Wong Tsu An Patrick are set out in Appendix II to this circular.

The Directors consider that the resolutions referred to in this circular are in the best interests of the Company and the Members as a whole. Accordingly, the Directors recommend all Members to vote in favour of all resolutions to be proposed at the AGM.

Yours faithfully,
On behalf of the Board
José Manuel dos Santos
Chairman

This is an explanatory statement given to all Members relating to a resolution to be proposed at the AGM authorising the Repurchase Mandate.

This explanatory statement contains information required pursuant to Rule 13.08 of the GEM Listing Rules which are set out as follows:

1 EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued share capital of the Company comprised 614,435,000 Shares.

Subject to the passing of resolution 2(b) as set out in the Notice and on the assumptions that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 61,443,500 Shares, representing 10% of the issued share capital as at the Latest Practicable Date.

2 REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Members as a whole for the Directors to have a general authority from Members to enable the Company to repurchase Shares in the market. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and Members as a whole.

3 FUNDING OF REPURCHASES

Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with the memorandum of association of the Company and Bye-laws and the applicable laws of Bermuda. A listed company may not repurchase its own shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of GEM from time to time.

It is presently proposed that any repurchase of Shares would be made out of capital paid up on the repurchased Shares, funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of any premium payable on such repurchase, from funds of the Company otherwise available for dividend or distribution or from the share premium account of the Company. The repurchase of Shares will be conditional upon the fact that on the date the purchase is effected, there are no reasonable grounds for believing that the Company is, or after the purchase would be, unable to pay its liabilities as they become due.

4 STATUS OF REPURCHASED SHARES

The GEM Listing Rules provide that the listing of all repurchased Shares is automatically cancelled and that the certificates for those Shares must be cancelled and destroyed. Under the law of Bermuda, repurchased Shares shall be treated as cancelled and its issued share capital (but not the authorised share capital) will be reduced accordingly.

5 EFFECT OF EXERCISE OF THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements of the Company for the year ended 31st December 2016) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6 DISCLOSURE OF INTERESTS

As at the Latest Practicable Date, none of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective Close Associates, had any present intention, if the Repurchase Mandate is approved by the Members to sell any Shares to the Company.

As at the Latest Practicable Date, no Connected Person had notified the Company that he had a present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Members and neither had any of the Connected Persons undertaken not to sell his Shares to the Company in the event the Repurchase Mandate is approved by the Members.

7 DIRECTORS' UNDERTAKING

The Directors have undertaken to the Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.

8 TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares, a Member's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Member, or a group of Members acting in concert, depending on the level of increase in the Member's interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

ERL, José Manuel dos Santos and his nephews (that is Rui Nuno dos Santos, Luis Alberto dos Santos and Antonio dos Santos Robarts, all of whom hold interests in the Shares through Best Eastern Limited, Back Support Properties Limited and Yat Yi Properties Limited (companies incorporated in BVI with limited liability) respectively) have informed the Company that they have been, and continue to be, acting in concert for the purposes of the Takeovers Code. As at the Latest Practicable Date, the parties acting in concert with ERL and José Manuel dos Santos held approximately 59.74% of all the Shares in issue. In the event the power to repurchase Shares pursuant to the Repurchase Mandate is exercised in full and assuming both that there is no change in the issued share capital of the Company and in the aforesaid concert parties shareholding in the Company after the Latest Practicable Date, ERL, José Manuel dos Santos and parties acting in concert with them are not expected to incur an

obligation to make a general offer to Members as a result of an exercise of the Repurchase Mandate in full. The Directors have no present intention to repurchase Shares to such an extent as would result in takeover obligations or the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

9 SHARE PURCHASE MADE BY THE COMPANY

No repurchases of securities have been made by the Company in the six months preceding the Latest Practicable Date, whether on GEM or otherwise.

10 SHARE PRICES

The highest and lowest prices of the Shares as quoted by GEM in each of the previous twelve months before and up to the Latest Practicable Date were as follows:

	Shares	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2016		
May	0.430	0.360
June	0.380	0.325

March	0.380	0.340

Notes:

- 1 Holders of ordinary shares of HK\$0.10 each in the share capital of the Company (“Shares”) whose names appear on the register of the holders of the Shares (“Members”) on 22nd June 2017, will be eligible for attending and voting at the AGM. The register of Members will be closed from 16th June 2017 to 22nd June 2017, both days inclusive, during which no transfer of Shares will be registered. In order to be eligible for attending and voting at the AGM, all transfer forms accompanied by the relevant Share certificates must be lodged with the Hong Kong branch share registrar of the Company (“Hong Kong Branch Share Registrar”), Tricor Abacus Limited, Level 22, Hopewell Centre, 183 Queen’s Road East, Hong Kong, not later than 4:30 p.m. on 15th June 2017.
- 2 Members whose names appear on the register of Members on 28th June 2017 will be eligible to the proposed final dividend. The register of Members will be closed on 28th June 2017 for ascertaining Members’ entitlement to the proposed final dividend and during which no transfer of Shares will be registered. In order to qualify for the proposed final dividend (subject to approval by Members at the forthcoming AGM), all transfer forms accompanied by the relevant Share certificates must be lodged with the Hong Kong Branch Share Registrar at the above mentioned address for registration before 4:30 p.m. on 27th June 2017. The proposed final dividend (the payments of which are subject to the Members’ approval at the AGM) are to be payable on or about 10th July 2017 to Members whose names appear on the register of Members on 28th June 2017. The Shares will trade ex-dividend on 26th June 2017.
- 3 Any Member who is entitled to attend and vote at the AGM is entitled to appoint one or more than one proxy to attend and vote in his stead in accordance with the bye-laws of the Company. A proxy need not be a Member.
- 4 Where there are joint holders of any Share, any one of such joint holders may vote at the AGM, either in person or by proxy, in respect of such Share as if he were solely entitled thereto; but if more than one of such joint holders shall be present at the AGM, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the register of Members in respect of the joint holding.
- 5 The instrument appointing a proxy and (if required by the board of Directors) the power of attorney or other authority, if any, under which it is signed or a certified copy of such power of attorney or authority shall be delivered to the Hong Kong Branch Share Registrar at the above mentioned address not less than forty-eight hours before the time for holding the AGM. The completion and return of the proxy form shall not preclude Members from attending and voting in person at the AGM (or any adjourned meeting thereof) should they so wish.
