This Appendix serves as an explanatory statement as required by the Listing Rules, to be included in this circular concerning the general mandate to repurchase Shares proposed to be granted to the Directors at the AGM.

1. LISTING RULES FOR REPURCHASE OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase Shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of Shares by a company with a primary listing on the Stock Exchange must be approved by Shareholders in advance by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction and that the Shares to be repurchased must be fully paid up.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,131,200,000 Shares.

Subject to the passing of relevant resolution to approve the general mandate to repurchase Shares and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the said general mandate to repurchase a maximum of 213,120,000 Shares, representing 10% of the issued share capital of the Company at the Latest Practicable Date.

3. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association and the Companies Law. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Law.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31st December, 2010) in the event that the power to repurchase Shares was to be carried out in full at any time during the proposed repurchase period.

However, the Directors do not propose to exercise the power to repurchase Shares if such general mandate will be granted to them to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICE

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
May 2010	0.144	0.098

February 2011	0.315	0.260

April 2011	0.305	0.240
May 2011 (up to the Latest Practicable Date)	0.260	0.240

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the general mandate to repurchase Shares if such is approved by the Shareholders.

No other connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the general mandate to repurchase Shares is approved by the Shareholders.

7. EFFECT OF THE TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Codes. As a result, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Codes.

As at the Latest Practicable Date, TDX which is a substantial Shareholder held on a beneficial basis 1,080,000,000 Shares, representing approximately 50.68% of the issued share capital of the Company. In the event the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate and assuming that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the shareholdings of TDX will be increased to approximately 56.31% of the issued share capital of the Company.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Mandate.

8. SHARES REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
