Pursuant to Rule 17.04(1) of the Listing Rules, the Share Options granted to Mr. Mung, being a substantial Shareholder, exceeds 0.1% of the Shares in issue and have an aggregate value (based on the closing price of the Shares on the Grant Date) in excess of HK\$5 million, the proposed grant of Share Options to Mr. Mung is conditional upon the approval of the Independent Shareholders at an extraordinary general meeting. INFORMATION ON MR. MUNG

Mr. Mung, aged 50, has been appointed as an executive director of the Company with effect from 9 March 2007. Mr. Mung holds a Conferment of Honorary Doctoral Degree from Sinte Gleska University of California. In November 2007, Mr. Mung was awarded the 9th World Outstanding Chinese Award by the World Chinese Business Investment Foundation. He has over 10 years’ experience in areas of business management, strategic planning and development. Mr. Mung was appointed as an executive director of Hong Kong Resources Holdings Company Limited (Stock Code: 2882) on 27 November, 2008. He was also appointed as an executive director and was redesignated as the vice-chairman of Shougang Concord Technology Holdings Limited (Stock Code: 521) (“Shougang”) on 16 February 2009 and 10 May 2010.

REASONS AND CONSIDERATION FOR THE GRANT OF SHARE OPTIONS

The Board has considered Mr. Mung’s time spent, past and future contribution to the business development of the Group and therefore 21,000,000 Share Options are proposed to be granted to Mr. Mung as an appreciation on his great efforts in the past years and continuing his commitment in the future development of the Group.

Past contribution

Mr. Mung was appointed as an executive director of the Company and a new composition of the Board was also formed in March 2007. The cash balance and the net asset value of the Group as at 31 December 2007 was approximately HK\$2.32 million and HK\$1.95 million respectively. Under the situation at that moment, no favourable investment could be made for generating significant income or growth. An open offer was announced to raise fund in August

LETTER FROM THE BOARD

2008 for the purpose to improve financial position of the Group (Mr. Mung has undertaken to subscribe for the open offer Shares to which TDX is entitled pursuant to the said open offer) and the three new Shares issuances to investors, in which some were introduced by Mr. Mung, to raise fund in 2009 and 2010 were for the purpose of enhancement of the capital base of the Group for future investment. After the completion of open offer and the issuance of new Shares, the cash and cash equivalents and the net asset value of the Group as at 31 December 2010 was approximately HK\$44.53 million and HK\$102.41 million respectively. Further, Mr. Mung has also recommended certain investments (without any interests of Mr. Mung) to the Board for consideration. The recommended investments by Mr. Mung are (i) listed equity securities and (ii) unlisted direct investments in the PRC with guaranteed returns which are summarized as follows:

Date of recommendation	Particulars	Investment amount	Latest value of investment as at the Latest Practicable Date
<i>Listed equity securities</i>			
2008	Shougang	Approximately HK\$0.61 million	Approximately HK\$0.67 million

LETTER FROM THE BOARD

Future development of the Group

The major functional role and responsibility of Mr. Mung in the Group is giving direction and leadership toward the achievement of the Group's objectives and strategy.

As the Group intends to put more focus on the investments in the PRC, the Board believes that Mr. Mung's PRC experience, relationship and networking can seek more investment opportunities with sustainable income and potential of asset appreciation in different business sectors in the PRC for the Group and his leadership can continue for the expansion of the Group in the long run, with an aim to enhance the value and return of the Group and the Shareholders.

Other methods of incentive to Mr. Mung

The Board has considered several methods of providing an incentive to Mr. Mung for his past contribution and future development of the Group, including lump sum cash bonuses, remuneration increment and profit sharing schemes as well as the grant of Share Options.

Reason for the grant of the Share Options

Taking into careful consideration the aforesaid reasons and the various methods of incentive, the Board believes that the grant of the 21,000,000 Share Options to Mr. Mung, be the most appropriate and in the best interests of the Group given that, as opposed to the other alternatives, the grant of Share Options will enable the Group to conserve its cash resources while allowing added incentive to Mr. Mung to make more contribution to the Group. Since the economic benefits of the grant of Share Options rely on improvement in the price of the Share, the economic benefits of the grant of Share Options will only be realised when all the Shareholders are also in a position to benefit.

Further, the Board has considered and believes that Mr. Mung's PRC experience, relationship, networking and his leadership are more critical and significant than his investment management experience for the expansion of the Group in the long run. As a result, the Board has decided to grant the most Share Options to Mr. Mung among the board members as an incentive for him to continue his commitment in the future development of the Group.

INFORMATION ON SHARE OPTIONS GRANTED UNDER SHARE OPTION SCHEME

As at the Latest Practicable Date, the Company has granted or proposes to grant in aggregate 144,000,000 Share Options to the Grantees, representing approximately 6.76% of the total issued share capital of the Company. The grant of the 144,000,000 Share Options to the Grantees will not exceed 30% of the Shares in issue as at the Latest Practicable Date. Save as the aforesaid Share Options, the Company has no other options granted as at the Latest Practicable Date.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinion in respect of the Proposed Grant, we have taken into consideration the following principal factors and reasons:

(1) Background of and reasons for the Proposed Grant

Business overview of the Group

The Company is an investment holding Company listed under Chapter 21 of the Listing Rules. The Group principally invests in listed and unlisted companies in Hong Kong and other parts of the PRC.

Reasons for the Proposed Grant

With reference to the Board Letter, in view of Mr. Mung's contribution, effort and time spent to the business development of the Group, the Proposed Grant to him is served as an appreciation on his great efforts to improve the financial position of the Group and introduce certain investments in the past years. The Proposed Grant Share Options will also provide an incentive to Mr. Mung for his continuing leadership, experience, relationship and networking in the expansion of the Group in the long run (as the Group intends to put more focus on the investments in the PRC), with an aim to enhance the value and return of the Shareholders. Details of the past contribution of Mr. Mung, the functional role and responsibility of Mr. Mung in the Group and future development of the Group are set out under the section headed "Reasons and consideration for the grant of share options" of the Board Letter.

We have further enquired into the Directors regarding the benefits of the Proposed Grant as incentive scheme and were advised that a merit-based incentive scheme will further align the interests of Mr. Mung with the Company. In this regard, the Directors have considered several methods of providing incentives to Mr. Mung, including lump sum cash bonuses, remuneration increment, profit sharing schemes as well as the Proposed Grant. After careful consideration of the various alternatives, the Directors consider that the Proposed Grant to be most appropriate given that, as opposed to the other alternatives, the Proposed Grant will enable the Group to conserve its cash resources while allowing added incentives to Mr. Mung to make more contribution to the Group. Since the economic benefits of the Proposed Grant Share Options rely on improvement in the price of the Share, the economic benefits of the Proposed Grant Share Options will only be realised when all the Shareholders are also in a position to benefit.

LETTER FROM GUANGDONG SECURITIES

Upon exercise of the Proposed Grant Share Options, it will generate a maximum of approximately HK\$5.67 million to the Company. Furthermore, the Directors are of the view that the Proposed Grant is a comparatively more suitable method than awarding cash bonuses to Mr. Mung, which prevents cash outflow and the instant effect on cash position of the Company. In this regards, we are of the view that the Proposed Grant will prevent cash outflow of the Group and enhance the cash flow position of the Group upon exercise of the Proposed Grant Share Options.

In view of the foregoing, including (i) the past contribution of Mr. Mung which attributed to the improvement of the Group's financial position; (ii) the significant role of Mr. Mung in the Group to the future development of the Group; and (iii) the Proposed Grant to be most appropriate incentive alternative among others, we are of the opinion that the Proposed Grant is in the interest of the Company and the Shareholders as a whole.

(2) Principal terms of the Proposed Grant

The table below summarises the major terms of the Proposed Grant:

Date of Grant:	15 April 2011
Exercise price of the Proposed Grant Share Options:	HK\$0.27 per Share (the "Exercise Price")
Number of Proposed Grant Share Options to be granted:	21,000,000 Shares Options to Mr. Mung
Validity and exercise period:	Valid for 10 years, exercisable from 15 April 2011 to 14 April 2021 (both dates inclusive)

We have enquired into the Directors regarding the basis of determining the number of the Proposed Grant Share Options to be granted to Mr. Mung and were advised by the Directors that the number of the Proposed Grant Share Options to be granted to Mr. Mung was determined based on the effort, time spent, contribution of Mr. Mung and the future prospects of the Company. Details of the past contribution of Mr. Mung and future development of the Group are set out under the section headed "Reasons and consideration for the grant of share options" of the Board Letter. We have discussed the aforesaid details with the Directors and we are of the view that the basis of determining the number of the Proposed Grant Share Options to be granted to Mr. Mung is justifiable.

With reference to the circular of the Company dated 10 September 2008, eligible participants under the Share Option Scheme include, among others, any full-time employee, Director (including any non executive Director or independent non-executive Director) and part time employee with weekly working hours of 15 hours or above of the Company or of any of its subsidiaries. As an executive Director, Mr. Mung is an eligible participant.

LETTER FROM GUANGDONG SECURITIES

Although there is no vesting conditions and performance targets imposed to the Proposed Grant Share Options, we concur with the Directors' view that the economic benefits of the Proposed Grant Share Options can be materialized through Mr. Mung's continuing contribution to the Group, including but not limited to seeking/introducing projects or investments with sustainable income and potential of appreciation which will improve the performance of the Group.

The Exercise Price of HK\$0.27 per Proposed Grant Share Options represents:

- (i) a premium of approximately 25.58% to the closing price of HK\$0.215 per Share as quoted on the Stock Exchange on the Latest Practicable Date;
- (ii) the closing price of HK\$0.27 per Share as quoted on the Stock Exchange on the Grant Date; and
- (iii) a premium of approximately 2.27% to the average closing price of approximately HK\$0.264 per Share for the last five consecutive trading days immediately preceding the Grant Date as quoted on the Stock Exchange up to and including the trading day immediately preceding the Grant Date.

Under the Share Option Scheme and the Listing Rules, the Exercise Price must be at least the higher of: (i) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the Grant Date; and (ii) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheets for the five business days immediately preceding the Date of Grant (the "**Requirements**"). As advised by the Directors, the Exercise Price can provide incentive for Mr. Mung to actively involve and contribute to the Group in order to make the Group profitable and eventually benefit the Share price. The Directors also confirmed that the determination of the Exercise Price is in compliance with the Requirements.

(3) Potential dilution of the shareholding interests of the public Shareholders

The table below demonstrates the possible shareholding structure of the Company (i) as at the Latest Practicable Date; and (ii) upon full exercise of the Proposed Grant Share Options:

	As at Latest Practicable Date		Upon full exercise of the Proposed Grant Share Options	
	No. of Shares	%	No. of Shares	%
TDX and Mr. Mung (<i>Note 1</i>) Greater China Special Value Fund and parties acting in concert with it (<i>Note 2</i>)	1,080,000,000	50.68	1,101,000,000	51.16
Tang Hao	123,200,000	5.78	123,200,000	5.72
Tang Hao	155,200,000	7.28	155,200,000	7.21
Other public Shareholders	772,800,000	36.26	772,800,000	35.91
Total	<u>2,131,200,000</u>	<u>100.00</u>	<u>2,152,200,000</u>	<u>100.00</u>

Note:

- These shares were registered in the name of and were beneficially owned by TDX, a company in which Mr. Mung, an executive Director and the chairman of the Company, holds 99.99% equity interests. Therefore, Mr. Mung is deemed to have an interest in the Shares in which TDX is interested.
- Mr. Michael Stockford, an executive Director, is a director of Greater China Special Value Fund (the “**Fund**”) and a director of the investment manager of the Fund.

As demonstrated by the above table, the shareholding interests of the existing public Shareholders in the Company would be diluted by approximately 0.35 percent point as a result of the full exercise of the Proposed Grant Share Options. Taking into account (i) the reasons for the Proposed Grant and the possible benefits of the Proposed Grant to the Group; and (ii) the terms of the Proposed Grant being fair and reasonable, we are of the view that the aforementioned level of dilution to the shareholding interests of the existing public Shareholders is acceptable.

(4) Possible financial effects of the Proposed Grant

Effect on net asset value

According to the announcement of the Company dated 13 May 2011, the unaudited consolidated net asset value per Share was approximately HK\$0.047 as at 30 April 2011. The Directors expected that the Proposed Grant would not have material impact on the net asset value of the Group.

LETTER FROM GUANGDONG SECURITIES

Effect on gearing

According to the annual report of the Company for the year ended 31 December 2010, the Group had no borrowing as at 31 December 2010. The Directors expected that the Proposed Grant would not increase the borrowing of the Group and thus the gearing level (as calculated by total borrowing over total equity) of the Group would not be affected upon the Proposed Grant.

Effect on working capital

As advised by the Directors, the Proposed Grant would not have material impact on the working capital of the Group.

Having considered the above possible financial effects of the Proposed Grant and the benefits of the Proposed Grant, we are of the view that the Proposed Grant is in the interest of the Company and the Shareholders as a whole.

It should be noted that the aforementioned analyses are for illustrative purpose only and does not purport to represent how the financial position of the Group will be upon the Proposed Grant.

RECOMMENDATION

Having taken into account the above principal factors and reasons, we consider that (i) the terms of the Proposed Grant are on normal commercial terms and are fair and reasonable so far as the Independent Shareholders are concerned; and (ii) the Proposed Grant is in the interests of the Company and the Shareholders as a whole. Accordingly, we recommend the Independent Board Committee to advise the Independent Shareholders to vote in favour of the relevant resolution(s) to be proposed at the EGM to approve the Proposed Grant and the respective transactions contemplated thereunder and we recommend the Independent Shareholders to vote in favour of the resolution(s) in this regard.

Yours faithfully,
For and on behalf of
