Yours faithfully,

By order of the Board

WUZHOU INTERNATIONAL HOLDINGS LIMITED

Shu Cecheng

Chairman

This is the explanatory statement to be given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate. This explanatory statement contains all the information required pursuant to rule 10.06(1)(b) and other relevant provisions of the Listing Rules which are set out as follows:

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued share capital of the Company comprised 4,990,259,914 Shares.

Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no outstanding share options of the Company will be exercised and no further Shares will be issued or repurchased on or before the date of the Annual General Meeting, exercise in full of the Repurchase Mandate could result in up to 499,025,991 Shares, being 10% of the number of issued Shares as at the date of passing of the resolutions to approve the Repurchase Mandate, being repurchased by the Company during the period from the passing of the resolution relating to the Repurchase Mandate and up to the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; and (iii) revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders as a whole. Whilst it is not possible to anticipate in advance any specific circumstances in which the Directors might think it is appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as a whole as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles and the applicable laws of the Cayman Islands. Any repurchase of Shares will be made out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorized by the Articles and subject to the Companies Law, out of capital of the Company and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles and subject to the Companies Law, out of capital

of the Company. In accordance with the laws of the Cayman Islands, the shares so repurchased would be treated as cancelled.

The Directors consider that the exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital or gearing level of the Company (as compared with the position disclosed in the latest published audited accounts contained in the 2015 Annual Report). The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

As at the Latest Practicable Date, to the best knowledge and belief of the Directors having made all reasonable enquiries, none of the Directors or any of their respective close associates have a present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved and exercised.

No core connected persons have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Mandate is approved and exercised.

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Memorandum and the Articles and the applicable laws of the Cayman Islands.

6. TAKEOVERS CODE AND THE PUBLIC FLOAT REQUIREMENT

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Boom Win Holdings Limited, a company directly owned as to 60% by Mr. Shu Cecheng and as to 40% by Mr. Shu Cewan, was beneficially interested in an aggregate of approximately 50.63% of the number of issued Shares. In the event that the Repurchase Mandate is exercised in full and assuming no further Shares are issued by the Company, the interest of Boom Win Holdings Limited in the number of issued Shares would be increased from 50.63% to 56.25%. Such increase would not give rise to an obligation to make a mandatory offer under rule 26 of the Takeovers Code.

The Listing Rules prohibit a company from making repurchases on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the company's total number of issued shares would be in public hands. The Directors have no present intention to exercise the power to repurchase Shares to the extent that the aggregate number of the Shares in the public hands would be reduced to less than such prescribed minimum percentage.

7. SHARE REPURCHASES MADE BY THE COMPANY

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

8. SHARE PRICES

During each of the previous twelve months up to the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:

	Price Per Share
