LETTER FROM THE BOARD

The procedures for demanding a poll by the Shareholders at a general meeting of the Company are set out in Appendix II to this circular.

8. RECOMMENDATION

The Directors consider that the above proposals are in the best interests of the Company and its shareholders and accordingly recommend all Shareholders to vote in favour of the resolutions to be proposed at the Annual General Meeting.

9. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
On behalf of the Board
Liu Jinlan
Chairman

The following is an explanatory statement required under the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. Share capital

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,286,000,000 Shares.

Subject to the passing of the proposed resolution in respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 128,600,000 Shares (representing 10% of the Shares in issue as at the date of granting of the Repurchase Mandate).

2. Reason for repurchase of shares

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and its shareholders.

The Directors have no present intention to repurchase any Shares.

3. Funding of repurchases

In repurchasing Shares, the Company may only apply funds legally available for such purchase in accordance with the memorandum and articles of association of the Company, the Listing Rules and the applicable laws of the Cayman Islands. Repurchases pursuant to the Repurchase Mandate will be made out of the profits of the Company or the proceeds of a fresh issue of shares made for such purpose or, subject to the articles of association of the Company and the laws of the Cayman Islands, out of capital. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided from out of the profits of the Company or out of sums standing to the credit of the share premium account of the Company or, subject to the articles of association of the Company and the laws of the Cayman Islands, out of capital.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2006 in the event that the repurchase of Shares were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. Share prices

During the period from 21 December 2006 (the date on which the Shares were listed on the Stock Exchange) to the Latest Practicable Date, the highest and lowest prices at which the Shares have traded on the Stock Exchange were as follows:

	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2006		
December	3.87	3.09
2007		
January	4.60	3.22
February	5.25	4.18
March	4.84	3.90
April (up to the Latest Practicable Date)	4.94	4.00

5. Undertaking

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases of Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such resolution is approved by the Shareholders.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

6. Takeovers Code

If on the exercise of the powers to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 of the Takeovers Code.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

As at the Latest Practicable Date, the Controlling Shareholder held 596,041,000 Shares representing approximately 46.35% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the Annual General Meeting, assuming that the present shareholdings and capital structure of the Company remains the same, the interests of the Controlling Shareholders in the issued Shares would be increased to approximately 51.50% of the total issued share capital of the Company and would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to repurchase any Shares to the extent that it will trigger the obligations under the Takeovers Code to make a mandatory offer or which will result in the amount of Shares held by the public being reduced to less than 25% of the total issued shares of the Company.

7. Share repurchase made by the Company

No repurchase of Shares has been made by the Company during the six months immediately prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

**APPENDIX II PROCEDURE BY WHICH THE SHAREHOLDERS MAY DEMAND
A POLL AT A GENERAL MEETING PURSUANT TO
THE ARTICLES OF ASSOCIATION OF THE COMPANY**

The following paragraphs set out the procedure by which the Shareholders may demand a poll at a general meeting of the Company (including the Annual General Meeting) pursuant to the Articles of Association.

According to Article 66 of the Articles of Association, at every general meeting a resolution put to the vote of a meeting shall be decided on a show of hands, unless voting by way of a poll is required by the rules of the Designated Stock Exchange or (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

- (a) by the chairman of the meeting; or
- (b) by at least three members of the Company present in person or in the case of a member of the Company being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or
- (c) by a member or members of the Company present in person or in the case of a member of the Company being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all members of the Company having the right to vote at the meeting; or
- (d) by a member or members of the Company present in person or in the case of a member of the Company being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right; or
- (e) if required by the rules of the Designated Stock Exchange, by any Director or Directors who, individually or collectively, hold proxies in respect of shares representing five per cent. (5%) or more of the total voting rights at such meeting.

A demand by a person as proxy for a member of the Company or in the case of a member of the Company being a corporation by its duly authorised representative shall be deemed to be the same as a demand by a member of the Company.
