have been longest in office since their last re-election or appointment and as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

Mr. Liu Jinlan, Mr. Tao Jinxiang and Ms. Xu Chunhua will retire from office by rotation in accordance with Article 87 of the Articles of Association and being eligible, will offer themselves for re-election at the Annual General Meeting.

Ms. Xu Chunhua has served as an independent non-executive Director for more than 9 years. She meets the independence factors set out in Rule 3.13 of the Listing Rules and is not involved in the daily management of the Company nor in any relationships or circumstances which would interfere with the exercise of her independent judgment. In addition, she continues to demonstrate her ability to provide an independent, balanced and objective view to the affairs of the Company and there is no evidence that her tenure has had any impact on her independence. The Board is of the opinion that Ms. Xu Chunhua remains independent notwithstanding the length of her service and it believes that her valuable knowledge and experience in the Group's business and her general business acumen will continue to generate significant contribution to the Company and the Shareholders as a whole.

Details of the Directors proposed to be re-elected at the Annual General Meeting are set out in Appendix II to this circular.

The Issue Mandate and the Repurchase Mandate will continue in force until the conclusion of the next annual general meeting of the Company held after the Annual General Meeting or any earlier date as referred to in ordinary resolutions numbered 5A and 5B set out in the notice of the Annual General Meeting. With reference to the Issue Mandate and the Repurchase Mandate, the Directors wish to state that they have no immediate plan to issue any Shares or repurchase any Shares pursuant thereto.

In accordance with the requirements of the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate. The explanatory statement as required by the Listing Rules in connection with the Repurchase Mandate is set out in Appendix I to this circular.

7. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

LETTER FROM THE BOARD

8. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

9. RECOMMENDATION

The Directors consider that the above proposals are in the best interests of the Company and its shareholders and accordingly recommend all Shareholders to vote in favour of the resolutions to be proposed at the Annual General Meeting.

10. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
On behalf of the Board
Liu Jinlan
Chairman

The following is an explanatory statement required under the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,492,531,072 Shares.

Subject to the passing of the proposed resolution in respect of the granting of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 149,253,107 Shares (representing 10% of the Shares in issue as at the date of granting of the Repurchase Mandate).

2. REASON FOR REPURCHASE OF SHARES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and its shareholders.

The Directors have no present intention to repurchase any Shares.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purchase in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands. Repurchases pursuant to the Repurchase Mandate will be made out of the profits of the Company or the proceeds of a fresh issue of shares made for such purpose or, subject to the Articles of Association and the laws of the Cayman Islands, out of capital. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided from out of the profits of the Company or out of sums standing to the credit of the share premium account of the Company or, subject to the Articles of Association and the laws of the Cayman Islands, out of capital.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2018 in the event that the repurchase of Shares were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months (and April 2019 through to the Latest Practicable Date) were as follows:

	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2018		
April	2.95	2.59
May	2.90	2.69
June	2.81	2.21
July	2.58	2.16
August	2.68	2.08
September	2.33	2.09
October	2.30	1.95
November	2.33	2.04
December	2.50	2.09
2019		
January	2.35	2.15
February	2.38	2.22
March	2.57	2.30
April (through to the Latest Practicable Date)	2.58	2.35

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases of Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such resolution is approved by the Shareholders.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

6. TAKEOVERS CODE

If on the exercise of the powers to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the Controlling Shareholder held 628,708,000 Shares representing approximately 42.12% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the Annual General Meeting, assuming that the present shareholdings and capital structure of the Company remain the same, the interests of the Controlling Shareholder in the issued Shares would be increased to approximately 46.80% of the total issued share capital of the Company and would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to repurchase any Shares to the extent that it will trigger the obligations under the Takeovers Code to make a mandatory offer or which will result in the amount of Shares held by the public being reduced to less than 25% of the total issued shares of the Company.

7. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company during the six months immediately prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

This appendix sets out the details of each of the Directors proposed to be re-elected at the Annual General Meeting pursuant to Rule 13.74 of the Listing Rules:
