INSIDE INFORMATION POSITIVE PROFIT ALERT

The announcement is made by Yunfeng Financial Group Limited (the “**Company**”) and its subsidiaries (collectively the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571, the Laws of Hong Kong).

As disclosed in the announcement of the Company dated 16 November 2018, the Group completed the acquisition of 60% equity interest of YF Life Insurance International Limited (“**YF Life**”) on 16 November 2018. From this date onwards, YF Life has become a non-wholly-owned subsidiary of the Group and its financial results have been consolidated into the Group's consolidated financial statements. The consolidated financial results of the Group for the six months ended 30 June 2019 (the “**2019 Interim**”) included the net profit of YF Life generated during the period from 1 January 2019 to 30 June 2019. Therefore, the financial results of the Group for the 2019 Interim are not directly comparable with the financial results of the Group for the six months ended 30 June 2018 (the “**2018 Interim**”).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the Company's preliminary assessment of the unaudited consolidated financial results for the 2019 Interim, the Group is expected to record a net profit attributable to equity shareholders of the Company for the 2019 Interim of an amount approximately HK\$80 million, which compared to the net loss attributable to equity shareholders of the Company of HK\$186 million for the 2018 Interim.

The turnaround of the Group's results is mainly due to the consolidation of the net profit of YF Life and the improvement in the operation of the existing financial technology business.

The above 2019 Interim results of the Company are based on preliminary estimates which have not yet been reviewed by the audit committee of the Company and the independent auditor of the Company. If the Company's future estimates differ materially from above estimates, the Company will provide updates on a timely basis. For further details of the Group's results, shareholders of the Company and potential investors should read the announcement for the Group's interim results, which is expected to be published before the end of August 2019.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
