*The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Buy-back Mandate and also constitutes the memorandum required under Section 239(2) of the Companies Ordinance.*

**NUMBER OF SHARES**

As at the Latest Practicable Date, the number of Shares in issue was 2,423,326,394. Subject to the passing of Ordinary Resolution No. 5 granting the Buy-back Mandate and on the basis that no further Shares are issued or bought back before the Annual General Meeting, the Company will be allowed to buy back a maximum of 242,332,639 Shares (representing not more than 10% of the issued Shares as at the Latest Practicable Date) during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

**REASONS FOR BUY-BACKS**

The Directors believe that the ability to buy back Shares is in the interests of the Company and its Shareholders.

Buy-backs may, depending on the circumstances, result in an increase in net assets and/or earnings per share. The Directors are seeking the grant of a general mandate to buy back Shares to give the Company the flexibility to do so if and when appropriate. The timing and the number, the price and other terms upon which the Shares are bought back will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

**FUNDING OF BUY-BACKS**

Buy backs must be made out of funds which are legally available for such purpose in accordance with the articles of association of the Company and the laws of Hong Kong. The Companies Ordinance provides that the amount of capital repaid in connection with a share buy-back may only be paid from the distributable profits of the company or from the proceeds of a new issue of shares made for the purpose. It is envisaged that the funds required for any buy-back would be derived from the distributable profits of the Company.

There could be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the financial year ended 31 December 2017) in the event that the proposed Share buy-backs were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or its gearing level which in the opinion of the Directors is from time to time appropriate for the Company.

### **GENERAL**

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates (as defined in the Listing Rules) currently intends to sell any Shares to the Company in the event that the Buy-back Mandate is granted by Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers to make buy-backs pursuant to the Buy-back Mandate in accordance with the Listing Rules and the laws of Hong Kong.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or have undertaken not to do so, in the event that the Buy-back Mandate is granted.

If on the exercise of the power to buy back Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Yunfeng Financial Holdings Limited and its associates beneficially held 1,342,976,000 Shares, representing approximately 55.42% of the issued Shares. In the event that the Directors should exercise in full the Buy-back Mandate, the shareholding of Yunfeng Financial Holdings Limited and its associates in the Company will be increased to approximately 61.58% of the issued Shares. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any buy-backs made under the Buy-back Mandate. The Directors do not propose to exercise the Buy-back Mandate to such extent that the public shareholding would be reduced to less than 25% of the issued Shares.

**SHARE BUY-BACK MADE BY THE COMPANY**

The Company has not bought back any Shares during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).

**SHARE PRICES**

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date and for the month of May 2018 up to the Latest Practicable Date:
